Try to be a Rainbow in someone's cloud
-Maya Angelou

Greetings!

On January 26th, 2019 a medical and dental mission was held at Lower Rock Quarry with a collective participation of The Bernasol Educational Foundation, the Local Government Unit, Calvary Church in Illinois, the International Praise Center, the Asia Pacific Theological Seminary, and volunteer doctors and nurses from the local clinics.

Over 400 people and children received medical, dental and optical treatment. We had over 100 volunteers to serve the medical mission that week.
