

# Meet our girls on their way to success!

## Joy

My name is Joy. I am 17 years old. I live in the Warm Heart Foundation in Phrao District. My family comes from Ban Kun Ban, Karen Tribe. I will be graduating from Phrao Wittayacom School.

I enjoy helping people solve their problems. When my friends need help in their English homework, I will try to teach them.

Back at Warm Heart, I will help P'SriPan, with food preparation in the kitchen. The food is served to all children and staff at mealtimes. During my mid-term break, I go back to my family's farm to help to grow and harvest rice.

I hope to be able to work in a Thai Embassy abroad because I love talking to people. I like listening to people's stories from different backgrounds.

If I have a chance, I want to work in Switzerland someday. It is a peaceful country and I love snow =)

To prepare myself for my future, I plan to go to Chiang Mai Rajabhat University to study English. In the next 2 years, I hope to speak fluent English after I complete my studies in school.

In my free time, I love to read Thai fiction books. From this day onwards, I will start reading books in English too.

Thank you everyone in Warm Heart! I will study well and succeed in life!

Joy Graduation 2018

Update since graduation: Joy is attending Rajabhat University studying Tourism and languages.

## Tangua

My name is Tangua. I am 17 years old. I live in the Warm Heart Foundation in Phrao District. My family comes from Chiang Dao, Ban Teng Ngiam. I will be graduating from Phrao Wittayacom School.

I love my family and I want to study hard and make them proud. When I'm home, I help my mum with household chores so she has more time to rest. At Warm Heart, I help Michael and P'lin with gardening chores to make the home a better place to live in. During my holidays, I will help P'SriPan with some cleaning chores as well.

I am always thankful to people who once helped me in life. I will always be grateful to them and I hope to be there for my family, Michael, P'lin, P'SriPan and all my friends when they need me.

In school, I will try to guide my friends when they have problems with their schoolwork. When my friends forget notebooks, I will lend

them mine. In the future, my top three career choices will be Nurse, Dentist and Airline Stewardess. I will do some research to understand the nature of the jobs to help me in my decision making.

In the meantime, I will prepare for the enrollment examinations for Chiang Mai University and Mahidol University for Nursing and Dentistry. After I complete my studies, I hope to be able to work in Chiang Mai or back at my hometown.

In my free time, I love to sing karaoke and listen to Thai and English songs. Thank you everyone in Warm Heart! I will study well and succeed in life!

Tangua Graduation 2018

Update since graduation: Tangua was accepted into Asia Pacific International University School of Nursing in Bangkok.

Arm

My name is Arm. I am 17 years old. I live in the Warm Heart Foundation in Phrao District. My family comes from Koon Pang, Karen Tribe. I will be graduating from Phrao Wittayacom School.

I will describe myself as a kind person. I will try to lend a listening ear to my friends when they need me. When my friends need help for their homework, I will try to teach them.

I hope to become a nutritionist in the future because I want to help people to stay healthy. I plan to go to Chiang Mai Vocational School to study nutrition education and proceed to university for another 2 years to complete my studies. I want to speak good English and travel to different places around the world. One of these days, I would like to visit Singapore.

In my free time, I love to watch drama and listen to music. From now on, I will start watching movies in English.

Thank you everyone in Warm Heart! I will study well and succeed in life!
