

# Enhancing Rural Livelihoods

# Harsha Trust - Overview

**Mission** - “To ensure livelihood security and to improve the quality of life of rural poor”

Started more than 16 years ago on Jan 29, 2002 and built considerable trust among communities in Southern Orissa, one of the poorest regions in the country. Registered under Indian Trust Act 1882 .

Outreach as on 31<sup>st</sup> December 2018 :

**8 Districts**

( koraput,malkangiri,nawrangpur,kalahandi,rayagada, kandhamal, ganjam ,nuapada)

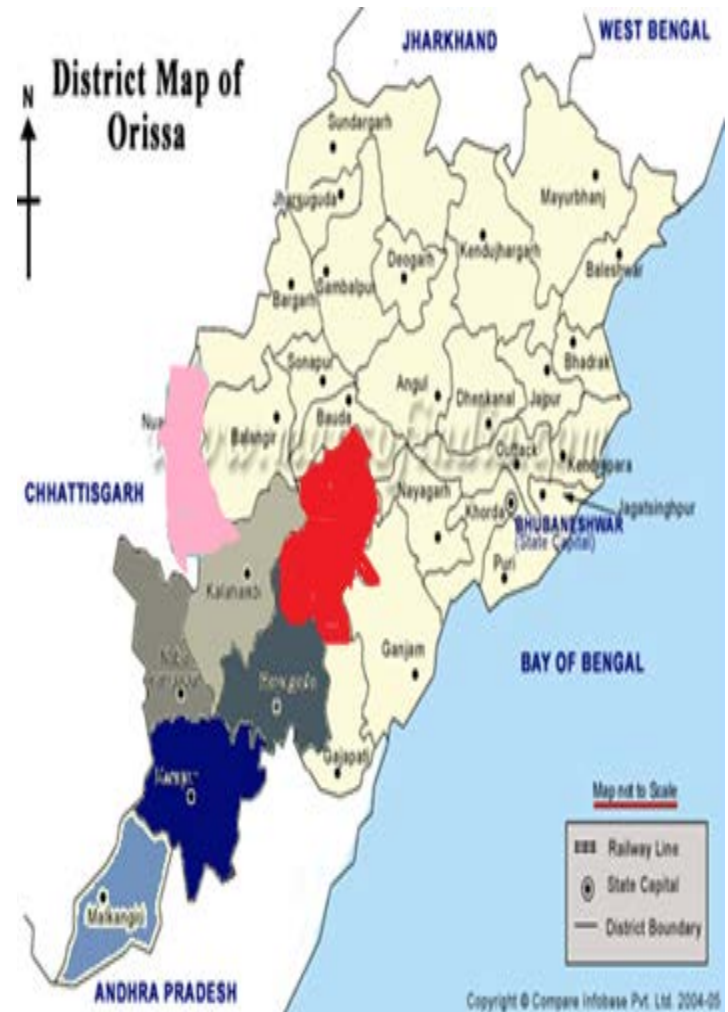

**16 Blocks**

**1148 Villages**

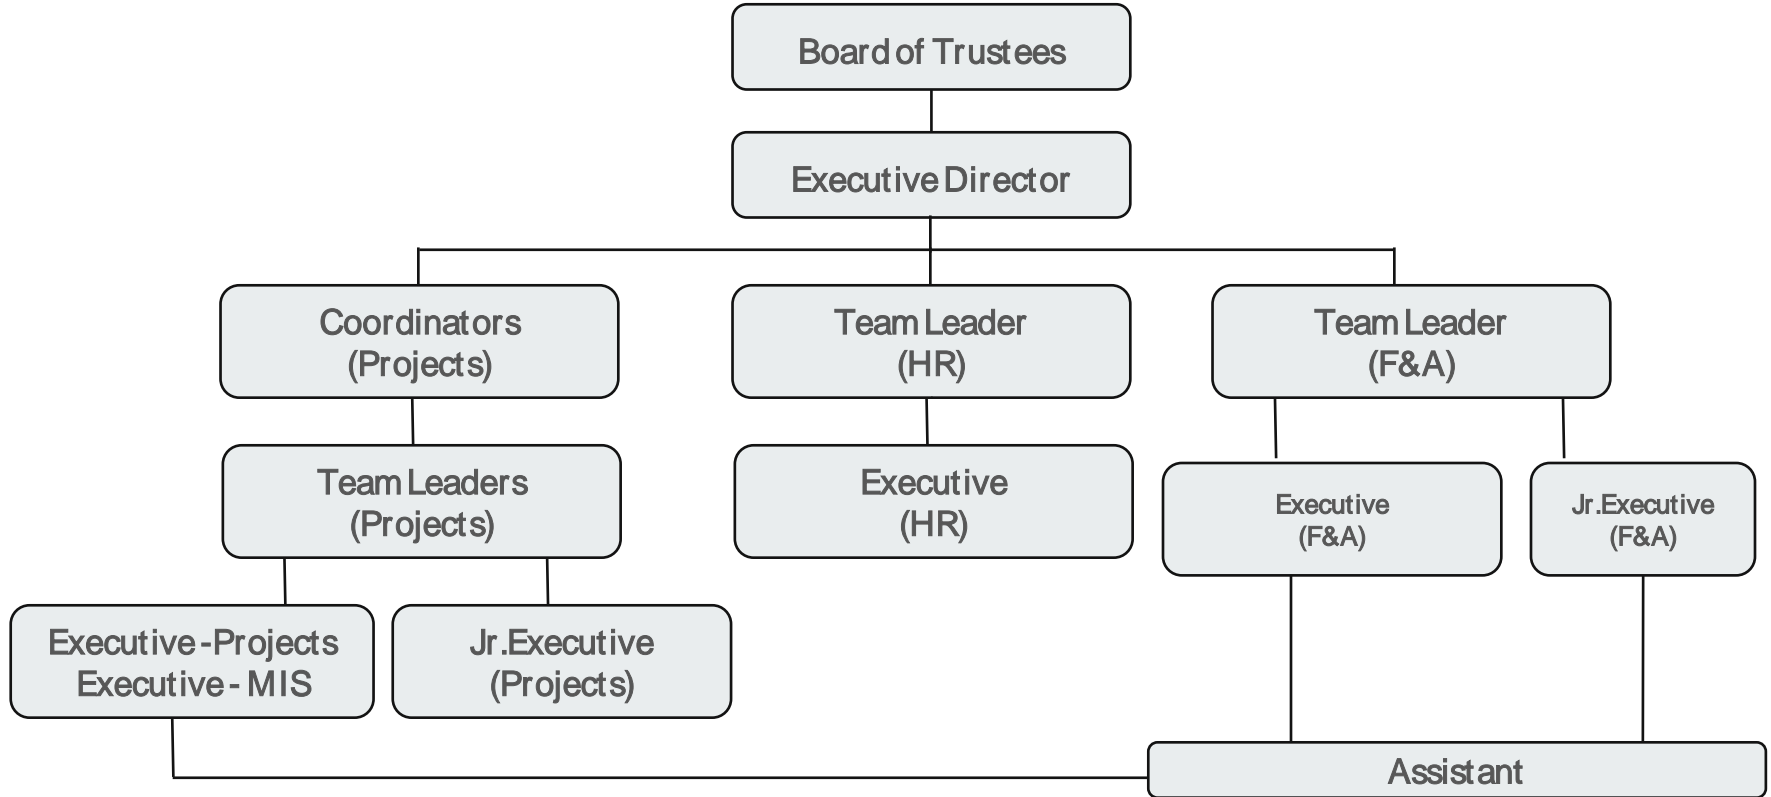

**75467 Households**

**Human Capital: 103 Professionals**

(Agriculture, Veterinary science, Marketing, Civil Engg. and Social Science)

# Organization Structure

# BOARD OF TRUSTEES

Sr. No.	Designation	Full name
1	Trustee & Chairman	Kalyan Kumar Banerjee
2	Managing Trustee	Haribandhu Panda
3	Trustee	Sujit Mahapatra
4	Trustee	Annapurna Devi Pandey
5	Trustee	Nisha Jamwal
6	Trustee	D.V.RAMANA

**Programmes**

# Institution Building ( SHGs & SHG Clusters )

- Vision building of SHGs on Increased regular savings & internal lending
- Promotion of SHGs clusters
- Capacity building of SHGs & Cluster leaders
- Livelihood planning through SHG clusters
- Promotion of paid services of the PRPs
- 4092 SHGs
- 264 SHG Clusters

# Addressing food & nutrition security

**35000 HHs covered**

➤ Improved Paddy, Millet and Maize Cultivation

➤ Intensification of Pulses

# Commercial Vegetable Cultivation

**15000 HHs covered**

# Integrated Agriculture ( 50 Cent)

- Round the year crop
- Pointed Gourd,Banana,Trellis &Leafy Vegetables
- Bore well, fencing & Solar lifting device
- Annual return – Rs.70000-75000
- 452 hhs covered

# Programmes – NRM based Sustainable Agriculture

- Fruit tree cluster development
- Irrigation through ringwells, dugwells
- Intercropping vegetables & turmeric
- 0.5 - 1 acre/farmer
- 3900 hhs covered

# Irrigation Infrastructure creation

- 285 Solar based irrigation infrastructure
- 75 Diversion based irrigation
- 228 Ring Well
- 259 Bore well
- 366 Farm Pond

# Off – Farm Activities

**5000 HHs covered**

- Broiler Poultry farming
- Backyard poultry farming
- Cooperatives Development
- Market Linkages
- Backward integration with hatchery

# Improved Goat rearing

## 7000 HHs covered

- Regular vaccination through CSP
- Improved shed, feeding and health care
- Mortality reduce by 25-30%

# Education Initiatives

**In Collaboration with Klorofeel Foundation :**

**Objective :** Joyful learning - exploring fun, effective and affordable ways of learning.

**Activities :**

- **Creation and Collection of Teaching Materials**
- **Involving Communities & Saathis**
- **Improving Grade specific competencies of students**

**Achievements :** 46% growth in Learning Outcomes among the students who continued with us all the year.

80% parents contribute for the Learning Centres in some way or in some form.

Teachers in other schools appreciate the efforts of our Saathis on witnessing the learning abilities of our students

**INNOVATIONS**

**Summer chilies – 11 hhs , 3 cent  
@Rs.6000 profit**

**Hybrid Paddy – 27P32 , 20% more yield,  
250 hhs**

**Yam cultivation in a patches – 2 Acre**

**Kala zeera ,lal basmati rice – 706  
hhs**

**SUDHA Paddy , 20% more yield , 890  
hhs**

**Battery Sprayer reduce time and drudgery**

**Seed Transplanter reduce labour and seed requirements**

**Bush Cutter reduce time and drudgery**

**Power weeder takes 3.2 hrs per acre than 18.5 hrs**

**Fast growth Goat – 20 kg within 4 months, 114 hhs**

**Green Market , 13 nos , direct selling by farmers**

**Seedling Transplanter – Reduce labour & time**

# ORGANIC MANURE

Preparation and uses of Handi khata, Jeeva Mruta by 250 hhs

The screenshot displays the FAST2SMS web application. The top navigation bar includes the FAST2SMS logo, a user profile icon, the time 07:58 AM, and a notification bell. A sidebar on the left contains menu items: Free SMS, Bulk SMS, Custom SMS, Multimedia SMS, Address Book, Delivery Reports, Transaction History (highlighted), Inbox & Email, Download, and Settings. The main content area is titled 'Transaction History' and features a table with columns: Transaction ID, From date, To date, Amount, and Txn. Type. Below the table, a list of transactions is shown with columns: Trans. ID, Detail, Type, Price, Date/Time, and Action. Each transaction entry includes a 'View Details' link.

SWOT Matrix – Strategic Planning

Rope Game – Believe System

Leg binding Game – Team Performance

Chain Game – Cooperation

Brick Game – Responsibility sharing

Umbrella Game – good & bad

Glass Game – Leadership

Game -Sub committees Formation

Bottle Game –Service charge concept

Leadership Selection

# Solar Cold Storage

- Collaboration with SELCO Foundation
- 5 tone Capacity
- Vegetables & Flowers
- Operation through FPOs

# Training Resource Center

- At Bissam Cattack
- Capacity - 60 Person/ Day

# Major Challenges

- Fund Mobilization from large Donors – Dedicated staff required for fund mobilization
- Staff Retention
- Capacity Building of Staff - Limited fund & resources
- Bank linkages for replication of successful model - Working Capital Loan for FPOs & SHGs
- Convergence - From Government

# AWARDS

PROCESS EXCELLENCE- AXISBANK FOUNDATION ,2016
