

Help 50 Poor Indonesian Kids Continue Their Schooling

PROJECT PLAN

Organization Profile

Center for Indonesian Policy Studies (CIPS) is a non-profit and non-partisan organization that promotes social and economic reform based on society's transparency, political, and economy. CIPS works fully to create policy analysis and practical policy recommendations which are intended for the policy makers in legislative and executive government of Indonesia. We are supported financially by donors and philanthropists who appreciate the independence of our analysis.
