

Gerizim Functions:

1. Physical Care - Children's homes (eating, dressing,)

Four children's homes both for boys and girls to accommodate more than 200 needy children in Karnataka and Tamilnadu State.

2. Educational care

Normal children sent to neighboring schools, polytechnics and colleges. Staff monitors the study activities.

3. Special School

Three special schools teaching concept education, pre-vocational activities through play activity methods for autistic, Down syndrome and learning disability children.

4. Vocational Training Institutes

Meant for young adults – various skills training imparted – Special Educators and Trainers employed

5. Sports and games (Play activities)

A new children's park for fun and games - both indoor and outdoor games functional – Sports Day and Inter School Sports organized.

6. Recreation and relaxation:

Recreation and relaxation is a part of rehabilitation – picnics and outings are regular features

7. Celebrations:

Children like to participate in celebrations to exhibit their talents and performance on the stage – not less than 7 celebrations in a year conducted.

8. Community Development:

In the dry and barren land in Tamilnadu focusing on the differently able (physically challenged, the blind, the mute, the crippled, the lame....) – established free evening tuition centers and self-help groups to promote home projects – self income generation – micro financing – Awareness camp conducted.

9. Joy Clubs/counselling centres:

Though Gerizim a Social Development Center, due importance given to children programmes and counseling activities for the needy.

10. Office Administration:

Head quartered in Ejipura – Centralized Administration – Secretariat Section, Fostering section, Networking Section, Documentary Section and Accounting Section, Purchase Department.

11. Competitions and contests:

Children participate at inter school contest and competition

GERIZIM REFERS TO:

Success Stories:

Although 300 special children rehabilitated so far, 250 orphan children helped, 75 children well placed, 100 broken homes built up, 25 widows sickly assisted, a few success stories are here below:

Moses:

7 days old Moses brought into Gerizim as a pre-matured baby child (900gms body weight) – Gerizim nurtured and he is 15 years now on his high school studies.

Bhagya:

8 month child – totally blind and abandoned by the parents – now doing her Polytechnic on Computer Course.

Renuka:

Mother brought 3 infants together – one among is Renuka at the age of 4 years – clever child – became a graduate – multi-talented – now Gerizim Staff (Administrative assistant).

Pushpa:

One from the four brought to rescue and shelter in Gerizim helplessly - got educated – finished her Special Education Teachership – now staff in Gerizim.

Gerizim - Statement of Faith (Mission Statement):

Committed to demonstrate the love of God by serving selflessly the needy children in general and the intellectually challenged ones in particular.
