

## Quarter Report Global Giving

---

### Foundation 22STARS

Quarterly report April 2021 - May 2021 – June 2021

---

## 1. BUDGET

We have not done any active campaigns this quarter on Global Giving, due to some private off-line Fundraising campaigns we held. We have raised money through Global Giving through only one donor who is sponsoring one of our children long-term to go to school and sends us monthly a donation.

## 2. HOW WE SPEND THE MONEY

Schools opened up again for most of our kids. We had homework

classes in our office and kids started with term 3. Term 1 will start in August. We have not yet received this payment from Global Giving, as we first need to get more money together to receive the pay out.
