**GlobalGiving**

We start 2023 with great enthusiasm and full confidence that it will be a great year. We want to sincerely thank you for being part of this great team that is characterized by the desire for a healthy old age. We want to reciprocate your trust and your preference for choosing our cause, among so many possibilities, you have chosen to support older adults to perform their eye surgery and thus improve their quality of life. We know that this is important to you and that is why we want to commit ourselves to offer you the best possible efficiency and quality with your donation. We would like to invite all donors of the GlobalGiving community to write to us, we are here to serve you. If you have any questions about our work or projects of the institution, likewise if you have any suggestions or comments please do not hesitate to write us, I assure you that we would be happy to greet you and provide the information you require. We are committed to our population to provide a quality service which includes not only surgeries but also an excellent treatment, again thank you for your trust and your preference and your donation. Together we will achieve a better world. Below are some of the beneficiaries of eye surgery that were supported with your donation.
