

REPORT

NOVEMBER DECEMBER 2024

We are proud to write to you to sincerely thank you for your generous support during the months of November and December. Your confidence in our work encourages us to continue working for a significant change in the lives of those who face visual challenges.

Thanks to your support through the GlobalGiving platform, during this period we performed 41 surgeries that transformed lives. Each of these interventions represented an opportunity to provide hope, allowing our beneficiaries to regain their independence, pursue their dreams and rediscover the joy of everyday activities.

Your generosity is an act of solidarity and a force that strengthens our mission, inspiring us to expand our impact. The positive effect of your contribution is palpable and motivates us to continue bringing solutions to more people who need our help.

At ACREC, we manage every resource with dedication and transparency, ensuring that your support reaches those who need it most. Your donation is not just a number; it is the pillar that allows us to build an inclusive future full of opportunities for all.

We invite you to continue to be part of this transformative mission, where together we break down barriers and create a world where we eradicate preventable visual impairment. Your trust and support are critical to us, and for that, we are deeply grateful.

With gratitude and appreciation,

ACREC
