

Help Ncinci One's Montessori have solar toilets

Ncinci One's Montessori near Coffee Bay, South Africa badly needs solar toilets for its primary students and teachers. Consider joining Montessori Global Growth Fund in securing and granting \$5,000 to close the funding gap by March 1.

This primary school serves a community where unemployment tops 75% of families. Education is a critical lever in breaking the cycle of poverty for the students at Ncinci One's Montessori.

Why toilets? Montessori Practical Life is a critical tool for all children. Having solar toilets can teach about sanitation, good hygiene as well as water conservation.

Better health, thanks to you

Montessori Global Growth Fund's mission is to bolster education and quality of life by supporting Montessori initiatives worldwide.

Montessori Global Growth Fund is a 501(c)(3) charity. Montessori Global Growth Fund pledges transparency in how donor funds are used. As a non-profit organization committed to maximizing the impact of the funds we disperse around the world, all gifts received will be unrestricted in nature. Donor preferences for project allocation will remain a priority, but funds may be used for other purposes.
