**MISSION:  
FINDING FURNITURE FOR THOSE IN NEED**

Furniture Finders, Inc. mission is to provide used and new furniture to families in need. These families may have had a domestic violence situation, a natural disaster, may have been previously homeless, or other life circumstance.

Families are referred to us by Catholic Charities, Hope4 NC, The Dept. of Social Services, Good Shepherd House, Endeavors, and other designated community agencies.

Furniture Finders started serving others in 2007 and became a 501c3 in 2008. After Hurricane Florence the needs of our community increased. We have moved to 4 different spaces since Florence and hope to have a more permanent home in the next month. We appreciate all of the companies and people who have volunteered their time, donated furniture, trucks, warehouse space, resources, etc.
