

Empower a Girl: Save the World

PRAJNA FOUNDATION (Registered in 1994) has been empowering underprivileged girls through quality education and skill training. Girls are provided with 100 mbps internet connectivity, video conferencing facility, educational software, animation and short films for better understanding of curriculum and for widening their mental horizon.

Aims & Objects: KOSHISH

Empowering the underprivileged children by promoting...

- ❖ Value Education
- ❖ Music, Art & Culture
- ❖ Safety, Health & Hygiene
- ❖ Skill Development
- ❖ Love & Peace

Activities at the centers:

- ❖ Remedial Tutorials & Computer classes
- ❖ Sports & Games activities
- ❖ Music, Dance and Drama classes
- ❖ Yoga & Meditation & Life Coaching
- ❖ Self Defense workshops for young girls
- ❖ Anti-Drugs-Abuse campaign
- ❖ Job oriented Skill Training

DIGITAL LEARNING

Next on our agenda is to establish state-of-the-art **DIGITAL LEARNING CENTRES (static and mobile)** for children. The same facilities will be used for the skill training, health and other services through video conferencing. Our aim is to serve 300 villages and urban slums which can benefit up to 400 thousand children and women.

How can you support?

- Support value education of underprivileged children, especially the girls
- Set up Digital Learning Centres and become OPEX partners
- Support Skill Development Centres for young girls
- Mentor a Girl Child and nurture her to become self-reliant.

It's an Efforts for a better World. Joins us for "Love & Peace"
