

# Shelter & Care for 50 cows at ISKCON Prayagraj

## *Current Status*

**30** cows  
**17** calves

Situated on the Banks of Yamuna. The unplanned structure of Cow Shelter is 16 years old and dilapidated.

**DAMAGED** Walls,  
**LEAKING** Tin Shelter  
**BLOCKED** drainage  
**SUFFOCATION** due to improper  
ventilation

Hygiene care and cleanliness is a  
challenge due to congestion and  
lack of resources.

## ***Proposed Plan***

**We're trying to construct a new Cow Shelter in a 4,000 s.q. ft. area for these cows, with proper drainage, shelter, ventilation, and hire employees for their care and cleanliness.**

We're trying to arrange for good quality cow feed and arrange a nice grazing space for these cows and calves.
