BACKGROUND

Nature-Care-Cameroon (N-Care) is a community-based and not-for-profit making Association operating in the NW Region of Cameroon with headquarters in Kumbo, Bui Division.

N-Care was setup in 2008 and run by a group of volunteers trained in different agricultural/ environmental disciplines working in close collaboration with rural communities, smallholder farmers, natural resource management institutions and schools in the NW Region of Cameroon with the objective to raise public awareness on the need for environmental conservation and to enhance the standards of living of the rural poor through the promotion of sustainable agricultural practices as well as the sustainable management of natural resources.

MISSION OF N-Care

Our mission is to empower local farmers and natural resource users with adapted techniques and skills in the sustainable production of agricultural produce and in the sustainable management of natural resources.

VISION OF N-Care:

Our vision is to become a lead organization in the North West Region of Cameroon to assist local communities in realizing community development oriented initiatives while ensuring a sustainable environment for the present and future generations.

THE LEGAL STATUS OF N-Care.

N-Care was officially legalized by the Government of Cameroon as a non-profit making entity on February 2011 in Kumbo by Prefectorial Order **Nº 72/AR/E26/PS/118**.

LOCATION OF N-Care.

Our head office is located in Tobin some 75meters opposite the Kumbo Central Post Office. Other branches will be setup in other areas of the Northwest Region as judged necessary.

OBJECTIVES OF N-Care.

Our principal objectives are:

- ♦ To enhance the standards of living of the rural poor through the promotion of sustainable agricultural practices and support to livelihood opportunities.
- ♦ To promote the ecological conservation of biodiversity around forest and watershed ecosystems.
- ♦ To promote conservation education among school children and collaborate with other local, national and international organizations that shares N-Care vision and mission.

MEMBERSHIP PROCEDURES:

Join a group that is geared towards creating a difference in environmental health sponsorship. You'll never regret it.

It's easy to become a member. Just call, email or visit our office in Tobin across the road and 75 meters opposite the Kumbo Central Post Office.

OUR ACTIVITIES:

We thrive to achieve our mission by promoting the following activities:

I. Promotion of Sustainable Agricultural Practices among Small Scale Farmers.

II. Ecological Restoration and Protection of Forest and Watershed Ecosystems.
