ABOUT THE FOUNDER

Racquel Knight grew up in a small district called Bellevue, located in the parish of Portland, Jamaica. She is a Becker College Alum and Founder of One Chair 4 One Child (OC4OC). She has an Associate of Science Degree in Agricultural Science and a BA in Global Citizenship. She is US Citizen currently living in Worcester MA.

STORY

Imagine a world where a child is forced to attend school without chairs to sit on. Picture yourself having to teach in such a chaotic environment. This is the reality of over 35000 children in rural Jamaica. This experience did not escape Racquel Knight. For Knight, it was a struggle for her going to school in Jamaica. Knight formed the One Chair 4 One Child initiative to address the problem.

VISION

We envision a world where children can learn to:

- Excel in classrooms without hindrance,
- pursue their passion,
- and be empowered to find new opportunities for a bright future.
