BEYOND THE CLASSROOM

THE HOMES FOR CHILDREN

IN THE FIELD

Beyond the Classroom comes the opportunity for field trips or excursions that allow students to apply what they are learning in the classroom to the real world.

Connecting the classroom to outside life experiences is an integral part of the curriculum and a powerful method for students to gain knowledge, authenticate learning, build confidence, and develop critical thinking skills.

THE ARTS

We embrace and nurture the artistic side of our youth by exploring in the arts. The program enhances the academic abilities and cognitive functioning of children. We encourage the creative passions of each and every student through innovative lessons in visual arts, music, and dramatic arts.

Visual Arts respond to the developmental stages of children by exposing them to age-appropriate activities that increase their visual awareness of the world around them.

Dramatic Arts exceptional learning experiences for all students, with special opportunities for children who demonstrate talent and/or interest in theater.

RANDOM ACTS OF KINDNESS

Acts of kindness help youth gain confidence as they realize their power to make a difference in their community and around the world.

kindness Fact #1

Engaging in acts of kindness produces endorphins, the brain's natural painkiller!

Kindness Fact #2

Kindness makes us happier and more satisfied with life and improves our mood.

Kindness Fact #3

Perpetually kind people have 23% less cortisol (the stress hormone) and age two times slower than the average population!
