## Delhi NCR FoodBank

We connect freshly cooked meals to those in need every day in a sustained, systematic process to fight hunger across India.

Over 18 million meals served

15,000+ children benefit daily

Distributed to 64 feeding sites

37 feeding partners in 12 cities

We focus on children up to school going ages attending nonformal schools across India with the objective of bettering their health, education, and safety.

**Delhi NCR FoodBank** works with implementation partners to replicate the model and help significantly evolve into a network of organically operated feeding centers catering to children to help them realize their potential for a better future with the foundation of creating access to food.
