# What's new?

So far this year, we've benefited:

- **77** Comprehensive Scholarship program.
- **5,430** from the Cordem Learning Community program with on-site and virtual workshops (during the COVID-19 contingency)
- **65** in personal growth activities.

To meet the specific needs of the contingency, we have provided supplies for the COVID-19 first line of care with 200 masks and 200 coveralls delivered to public health centers. It has also been supported by giving groceries to more than 638 families.
