

CONSTRUCTION OF CARE SCHOOL FOR 1000 ORPHANS IN LUGBE VILLAGE .NIGERIA

SEEKER :

**CHILD ORIENTATION FOR AFRICAN
DEVELOPMENT INITIATIVE**

Project Duration : 6 months

BACKGROUND:

Nigeria one of the largest democracies in the World has a population of over 150,000,000 as of today. Most of the people in Nigeria are living below the poverty line and are facing many problems, viz., lack of food, shelter, health Carey, education and un-employment and thus the people live in utter poverty. Poverty has always been recognized as the major cause of death and disability. Poverty brings on lack of safe Drinking Water, inadequate food, poor health care andh poor education. All these will have effect on health.

The poverty situations in Nigeria context,

reflects in most of the states. The families in slums and rural areas are normally large and often face the problems and the earning members of the family unable to cope up with the situations. Sometimes they may not get work to earn. Eventually they migrate to other places in search of livelihood or starve to meet death or disease. The struggle of the poor starts in the womb. The child in the womb suffers from the consequences of malnutrition in the mother. The families that are living in slum areas of the FCT are daily wages labourers. They are living in utter poverty. They are unable to fetch their square meal a day. Some of the parents cannot admitting their children in the public English medium schools.

THE NEED

Poverty has always been recognized as the major cause of disease, death, and disability. Now the World Health Organization (WHO) came out with the statement the Poverty is the 'ruthless killer'. Large families in rural areas often face these problems and the earning members of the family unable to cope-up with

the situations and survival becomes difficult. The relief often comes in the form of death leaving the children as orphans and destitute. These children starve without shelter, food and clothing and roam along the streets.

THE GLOBAL GOALS FOR SUSTAINABLE DEVELOPMENT

One of the important The Global Goal is by 2025, ensure that all girls and boys have access to quality early childhood development, care and preprimary education so that they are ready for primary education. The burden lives in the citizens who can afford to support children who are in desperate need and helping the children to pursue their education.

TARGET GROUP OF THE PROJECT:

Children 6-16 years of age who are mislay their parents and poor families. The organization focuses on disadvantaged children emphasizing children abandoned by one or both parents, children from poor families, street children and children who have been abused and belong to poor socio economic conditions and children

who have been orphaned due to HIV/AIDS in order to counteract pervasive hunger, poverty, and systemic deprivation.
