WELCOME TO SOTENI

FOUNDER’S MESSAGE

Dear Friends,

It’s hard to believe that this year, we celebrated 15 years of SOTENI. Yet, it was a tremendous year for us. We accomplished much in Kenya, including strengthening our flagship AIDS Barefoot Doctor program. We made the vision of the Mary Kibor community center a reality. We also have an exciting new leader at the helm of SOTENI International, because you are.

Thank you:

• to our new leaders, Noreen Obilo in Kenya and Jenny Brady in Cincinnati; and
• to Meshack & Elizabeth Maleche, for housing volunteers in Mbakalo;
• to Onsando Osiemo, for your legal acumen and leadership on the SK Board;
• to Randie Marsh, for your ingenuity, compassion, and productivity;
