

ROSALIA'S PLEA FOR AN EDUCATION SPONSOR

Name: Rosalia Wangui Muiruri

Age: 14 years

Level of education: In need to joined high school

In the heart of Dagoretti, a resilient spirit named Rosalia is navigating through life's challenges with determination and a hunger for knowledge. Rosalia's journey has been marked by adversity, stemming from her family's harsh confrontation with the consequences of her father's struggle with alcoholism. In an environment rife with violence and instability, Rosalia found herself at risk of becoming a victim of circumstances.

Compelled by the harsh reality they faced, Rosalia and her family made the difficult decision to seek refuge with their grandmother. The refuge provided solace from the storms of their past, but it came with its own set of challenges. Her father's neglect of family responsibilities, exacerbated by his battle with alcoholism, left the family in dire straits. In the absence of a stable income, life became an uphill climb.

Rosalia, however, emerged from the shadows of adversity with an unwavering dedication to education. Despite the hardships, she is determined to carve a brighter future for herself. As she embarks on her high school journey in Year One, we have a golden opportunity to make a lasting impact on her life.

Rosalia's dream is simple yet profound - a future where education becomes her stepping stone and inspiration. To turn this dream into reality, we are reaching out to you, seeking your support. A sum of \$600 will cover her tuition and associated expenses for the next four crucial years of secondary school.

To contribute and be part of Rosalia's journey, please visit our global giving link: <https://globalgiving.org/projects/help-a-child-get-back-to-school>. Your generous donation will not only ease the financial burden on Rosalia's family but also empower a dedicated student to thrive academically.

Your support will not only bridge educational gaps in the community but will also help Rosalia achieve her dreams. Education possesses the transformative power to break the chains of adversity, and by supporting Rosalia, you become a key player in changing her destiny.

Thank you for considering and supporting Rosalia's educational aspirations. Your generosity will be the beacon of hope that illuminates her path to a brighter future. Together, we can make a difference.
