PROGRAMS

DIVA DUTY

Once a month the Dignity for Divas team of volunteers hit the streets in what is called “Diva Duty”. During this time we distribute our diva survival kits to numerous women and men in need living on the streets of Seattle. These kits are essential tools to creating normalcy to an individual’s living on the streets

WELCOME HOME

Dignity for Divas “Welcome Home Bag” program provides various household and cleaning supplies to Divas eliminating additional stress while entering into a stable living environment. This is an essential step in assisting a woman during her transition from living in a temporary shelter to permanent housing.

DIVA DREAM BAG

Dignity for Divas also created a “Diva Dream Bag” this bag is a wonderful addition to our welcome home bag and is an encouraging gift to a Diva continuing on her journey to success. The diva dream bag is offered to women who have maintained their permanent housing for 6 months.

DETERMINED DIVA

The determined diva program is designed for our Divas living in low income permanent housing. The women who pay their monthly rent on time are then entered into a contest in which the housing management draws on winner every month. This program encourages our Divas to pay their rent on time and helps then transition back into a structured billing cycle

STYLED RIGHT DIVA

Dignity for Divas is pleased to announce our NEW Styled Right Diva program for women currently living in permanent housing. Dignity for Divas has collaborated with an amazing design team uniform who is redefining our divas style to match their NEW life! Each qualified Diva will have the opportunity to meet with our stylist who will shop with them to enhance some new looks.
