RASTA

[Helping People To Help Themselves]

Rasta is a national level not-for-profit organization focused on education, skill development, women empowerment and community health among the most underprivileged. Currently, Rasta's services touch 1,50,000 households in 78 locations in the National Capital Region of Delhi with greater involvement in East Delhi, Haryana, Ghaziabad and such other neighbouring area as deemed necessary and fit, from time to time.

VISION

A society where every individual is able to realize her/his potential and lead a life of dignity in an environment of communal solidarity and harmony.

MISSION

- Work with the socially and economically disadvantaged;
- Empower them with education and skills and enable them to achieve and assert their rights
- Enhance their quality of life and facilitate their self-reliance;
- Promote gender equity and women's development.

RASTA'S Sectors of Involvement:

Education

Rasta runs 50 centres for pre-school , non-formal, formal, remedial and distance education for young girls. Qualified trainers and innovative curriculum are the hallmarks of Rasta's education programmes. Efforts are made to mainstream students with education System. **RASTA focuses on educating GIRL CHILD.**

Skill Development

Rasta runs 8 Vocational Training Centers, which impart job –oriented vocational skills to the youth , especially girls/women in the age group of 18-35. Those who successfully complete these training are helped to secure employment with reputed companies on reasonable salaries.

Elderly women are motivated to run their own enterprises like boutique and beauty parlour. Others are motivated and helped to form and manage Self Help Groups and set up self employment ventures.

Health:

Preventive, promotive and curative health care is promoted through programmes like Immunization, Reproductive Child Health Services, health check-up camps and referral services.

Day Care Centres:

Children of construction workers are an important target group of Rasta since last few years. Construction workers migrate from place to place, as per availability of work and as per the demands of the building contractors. Their children are left to fend for themselves and their education, health, hygiene, and above all protection, are totally neglected. Seeing their plight, Rasta, in collaboration with Mobile Crèche, opened a Day Care Centre each at 'Palm Drive','Bestech 92' in Gurgaon and Gulmohar Garden & Raj Nagar Extension in Ghaziabad U.P.

Rasta covered about 800 migrant children, from birth to 14 years, who get food 3 times including special diet as prescribed by the Doctor. Rasta provides health-care and most importantly protection to children of migrant population from 9 am to 5 pm.

Unique Features of Rasta's Interventions:

- Experienced leadership with over 40 years of grassroots level involvement with the poor;.
- In depth understanding of target area and strong rapport with the relevant local community;.
- Holistic approach to development;
- Proven track record of implementing challenging projects;
- Transparent governance, regular monitoring and audit systems;
- Professionally qualified and motivated team
