Filipino Amerasians:
Children of a Filipino and American parent, usually a Filipino mother and American father.

Estimates of the total number of Filipino Amerasians are in excess of 100,000 individuals, some of whom are now 2nd & 3rd generation.
The Need: What is the scope of the problem?

A very conservative estimate of the number of Filipino Amerasians is 100,000, the vast majority living in poverty with no assistance.

PAGA is serving ≈100 beneficiaries, about one tenth of 1% of the at risk population.
About PAGA:

- Founded 1921; fully certified NGO
- Funded by donations
- Beneficiaries in Calabarzon, Central Luzon, & Metro Manila
- Have assisted 5,000+ beneficiaries to date
- Serving ≈100 Filipino Amerasian youth
PAGA comprehensive services

- Medical care
- Education expenses
- Psychosocial development
- Family seminars
- Service projects
- Recreational activities
How can you help?

PAGA needs your support to grow the number of children served and to meet *increased costs due to COVID-19*. Average cost per beneficiary served is USD $800 or ₱40,000 per year.

*Urgently need USD $50,000 to serve backlog of beneficiaries & increased costs.*
How can you help?

1. Become a member of PAGA
2. Sponsor a beneficiary
3. Make a one-time donation
4. Sponsor PAGA activities
5. Include PAGA in CSR program
