Filipino Amerasians:
Biracial children of a Filipino and American parent, usually a Filipino mother and American father.

Estimates of the total number of Filipino Amerasians are in excess of 100,000 individuals, some of whom are now 2nd & 3rd generation.
A very conservative estimate of the number of Filipino Amerasians is 100,000, the vast majority living in poverty with no assistance.

PAGA is serving 130 beneficiaries now, *about one tenth of 1% of the at risk population*. 
About PAGA:

- Founded 1921; fully certified NGO
- Funded by donations
- Beneficiaries in Central Luzon & Metro Manila
- Have assisted 5,000+ beneficiaries to date
- Currently serving 130 Filipino Amerasian youth
PAGA comprehensive services

- Medical care
- Education expenses
- Psychosocial development
- Family seminars
- Service projects
- Recreational activities
