

WHO WE ARE

KEF gives students a chance to stay in school. In Kenya, high school is not free, 50% of students are not in school. We provide scholarships based on need and merit to high school students across Kenya.

Currently we have 660 active scholarships in 165 high schools all over Kenya and are proud to have provided 2,400+ students with scholarships since 2001.

OUR MISSION

The KEF mission is to provide deserving yet economically disadvantaged students in Kenya, and their schools, with support and educational resources so that they may improve their communities and break the cycle of poverty in Kenya.

KEF WORKSHOPS

BE PART OF THE AMAZING WORK WE DO

Each year KEF gets over 3,000 scholarship applications most of the applicants from very needy backgrounds. We are only able to give very few scholarships, for example, in 2018 we gave only 200 scholarships which is 6 percent of the total applications.

Want to help?

- ✓ Give a deserving student a 4-year scholarship.
- ✓ Make a donation of any amount to KEF.
- ✓ Sponsor KEF events and fundraisers.
- ✓ Ask your company if they could partner with KEF as their CSR.
- ✓ Donate your time and come mentor our students during the KEF workshops.

With your assistance, we are able to support more students who need our aid and change their worlds for good.
