P.O. Box 23371, Ventura, CA 93002

"Where you are right now does not mean you will be there forever. I was homeless and, **even at my lowest point, my tutor pushed me in a nice way to keep up with school** and focus on my future. When **I got the first acceptance letter to college** I felt indebted to Katie, I don't think I could have done it without her."

— Student Chynna

"The most meaningful connection I've ever made in my life is with my student Diego."

— Chris Webster, Volunteer

About Our Students

We provide free tutoring and mentoring to children from kindergarten through twelfth grade living in shelters, motels, vehicles, group foster homes, and the streets of Southern California. In 2021 nearly 60% of students served were living in homeless shelters.

READ FULL REPORT

school on wheels 2021 ANNUAL REPORT

Dear Friends of School on Wheels,

In 2021, we distributed thousands of devices, headphones, hotspots, and routers to our students and shelter partners, along with backpacks and school supplies. This technology, as well as our team made up of volunteers, donors, community members and partners, enabled us to provide one-on-one tutoring and educational support to 1,700+ students (grades K-12) last year.

In our annual report, you'll learn about our volunteers who selflessly give their time, the students and families we serve, and the programs that support those students. In 2022 the need is even greater as more families become homeless. As we roll out our three year strategic plan, we hope we can continue to count on your support.

Thank you for being part of the team, a team of individuals who will do everything to support the needs of our unhoused youth.

Sincerely,

Charles Evans

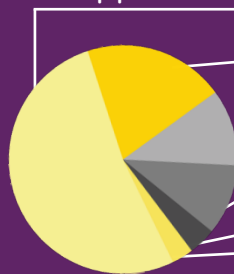

For 29 years, School on Wheels has maintained strong, sustained financial stability ensuring our growth supports our students in the best possible way. Your generous support helps us provide programs and services throughout six counties in Southern California, investing in the educational lives of our students.
