

Making a difference in the lives of orphans, vulnerable children and communities in Uganda

Ty Cariad Africa is a registered charity in England and Wales (1124100).

Our aim is to help relieve poverty, sickness and distress, and to provide access to education for orphans and vulnerable children in Uganda.

We do not own or run children's homes or any institutions, but work closely with overseas partner organisations to achieve our aims.

We exist to raise awareness and funds to support the work of Victory Child Care Project – Ty Cariad, (a Children's Home approved by the Ministry of Gender in Uganda), and other similar minded organisations supporting orphans and vulnerable children.
