

Hope  
Spring  
Water

**HOPE SPRING  
WATER CHARITY  
FOUNDATION**

*...alleviating water poverty*

IMPACT  
REPORT

**2018**

**15 WASH Projects Executed | Over 4,000  
Sanitary Pads Donated | Over 20,000 Lives  
Impacted**

Our approach to water poverty alleviation, places emphasis on reducing the hundreds of hours women and children spend fetching water. The more time children spend in school, the higher their chances of breaking the poverty cycle.

# INTRODUCTION

## Hope Spring Water Charity Foundation

Hope Spring Water Charity Foundation (HSWCF) is a registered Nigeria water charity organization that is focused on providing access to safe, clean water, sanitation, and hygiene (WASH) in Nigeria. Integral to the core objectives of the organization, is the provision of access to safe, clean water and to educate and train youths in developing communities, on basic sanitation and hygiene practices. HSWCF is committed to alleviating poverty in Nigeria, through the provision of clean water to the poor and vulnerable people. Achieving the United Nations' Sustainable Development Goal 6 (SDG #6), which aims to make clean water and sanitation accessible to all, is our guiding principle.

HSWCF was founded by a number of Nigerian humanitarians, who are passionate about alleviating water-related poverty in institutions and communities - especially rural communities - in Nigeria.

# OUR AIMS

- To assist people and communities in poor, often remote areas in Nigeria to identify, develop and establish a sustainable source of clean water.
- To alleviate poverty, as well as sanitation and hygiene challenges associated with lack of access to clean water.

# OBJECTIVES

- Assisting communities to identify the most ideal source of clean water in or around their community.
- Funding or building a water well or a borehole, where that is the most sustainable way to meet a community's water challenges.
- Educating and providing information and training developing communities on the importance of basic sanitation and hygiene.
- WASH advocacy amongst youths and children who are the future leaders of their communities and country.

## BOARD AND MANAGEMENT

Hope Spring Water Charity Foundation has a dynamic Board and managerial team. The members of Board of Trustees make strategic decisions about the organization at every Annual General Meeting (A.G.M) that take place in December every year. The A.G.M is to deliberate on the activities to be carried out by the organization and to assess the performances of the organization in the preceding year.

The appointment of Board of Trustees takes place at A.G.M with two-third majority vote of members present. The board of trustee members maintains five members who are with reputable character and share the aims and values of the organization.

Hope Spring Water Charity Foundation Board includes the following:

- |                                    |   |                  |
|------------------------------------|---|------------------|
| I. Temitope Shewu Odurinde         | - | Chairman         |
| II. Rahmatallahi Oluwakemi Adebisi | - | Secretary        |
| III. Faisol Abiola Oladosu         | - | Member           |
| IV. Temple Chukwuemeka Oraeki      | - | Country Director |
| V. Mubarak Oladosu                 | - | Member           |

The Country Director coordinates daily activities of the organization, including staff and contracts management for Hope Spring Water Charity Foundation, which are subject to the verification and approval of the Board of Trustees.

## ONLINE CAMPAIGN

The media was flooded with campaign messages emphasizing on universal access to clean water for all. Hope Spring Water leveraged on the social media presence to sensitize its followers and the general populace on the need to take action for water. The online messages also encouraged citizens to engage governments on high level discussions channeled towards provision of safe and clean water for the vulnerable and marginalized people. Advocacy for Youth inclusiveness in decision making was also one of the main points of the sensitization campaign. Hope Spring Water volunteers also educated the public on what “Safe Water and Sanitation”, means to them.

## PLANNED PROJECTS

### EBONYI STATE, NIGERIA

Ishiagu motorized pump borehole project

### KWARA STATE, NIGERIA

Gaa Dare Borehole

### ENUGU STATE, NIGERIA

Okpu Orba Solar pump borehole project

### OSUN STATE, NIGERIA
