

Budget for Uke Can Do It!

1 soprano Diamond Head Ukulele retails for \$49.95. Thanks to one of our generous sponsor companies, Saga Musical Instruments, we can get these ukes for \$15.00 plus shipping (about \$2 per instrument).

Each uke is shared in the classroom by 3 students in teams. One child strums, another is the percussion player or dancer and a third is the designated singer. Then students trade roles until everyone has had a chance to do all three things.

\$15 A gift of 1 ukulele helps 3 students play each day.

\$65 A gift of 5 ukuleles allows a group of 15 students to take turns.

\$105 A gift of 7 ukuleles equips a class of 21 students to share equally.

\$165 A gift of 11 ukulele allows students to work in pairs and each can play more and longer.

Whatever you give will help and mean a great deal to everyone there.

Thanks so much for caring,

Jess Baron
