# A vulnerable childhood

A group of six young boys are running along a dirt path in a rural, hilly area. They are all smiling and appear to be enjoying themselves. The boy on the far left is wearing a light blue t-shirt and light-colored pants. The boy next to him is wearing a white t-shirt and blue jeans. The boy in the center is wearing a white t-shirt with a graphic and blue shorts. The boy next to him is wearing a blue t-shirt with a skull and crossbones graphic and khaki shorts. The boy next to him is wearing a light blue t-shirt and blue shorts. The boy on the far right is wearing a dark blue t-shirt with a graphic and blue jeans. The background shows a dirt path leading up a hill with some trees and vegetation.

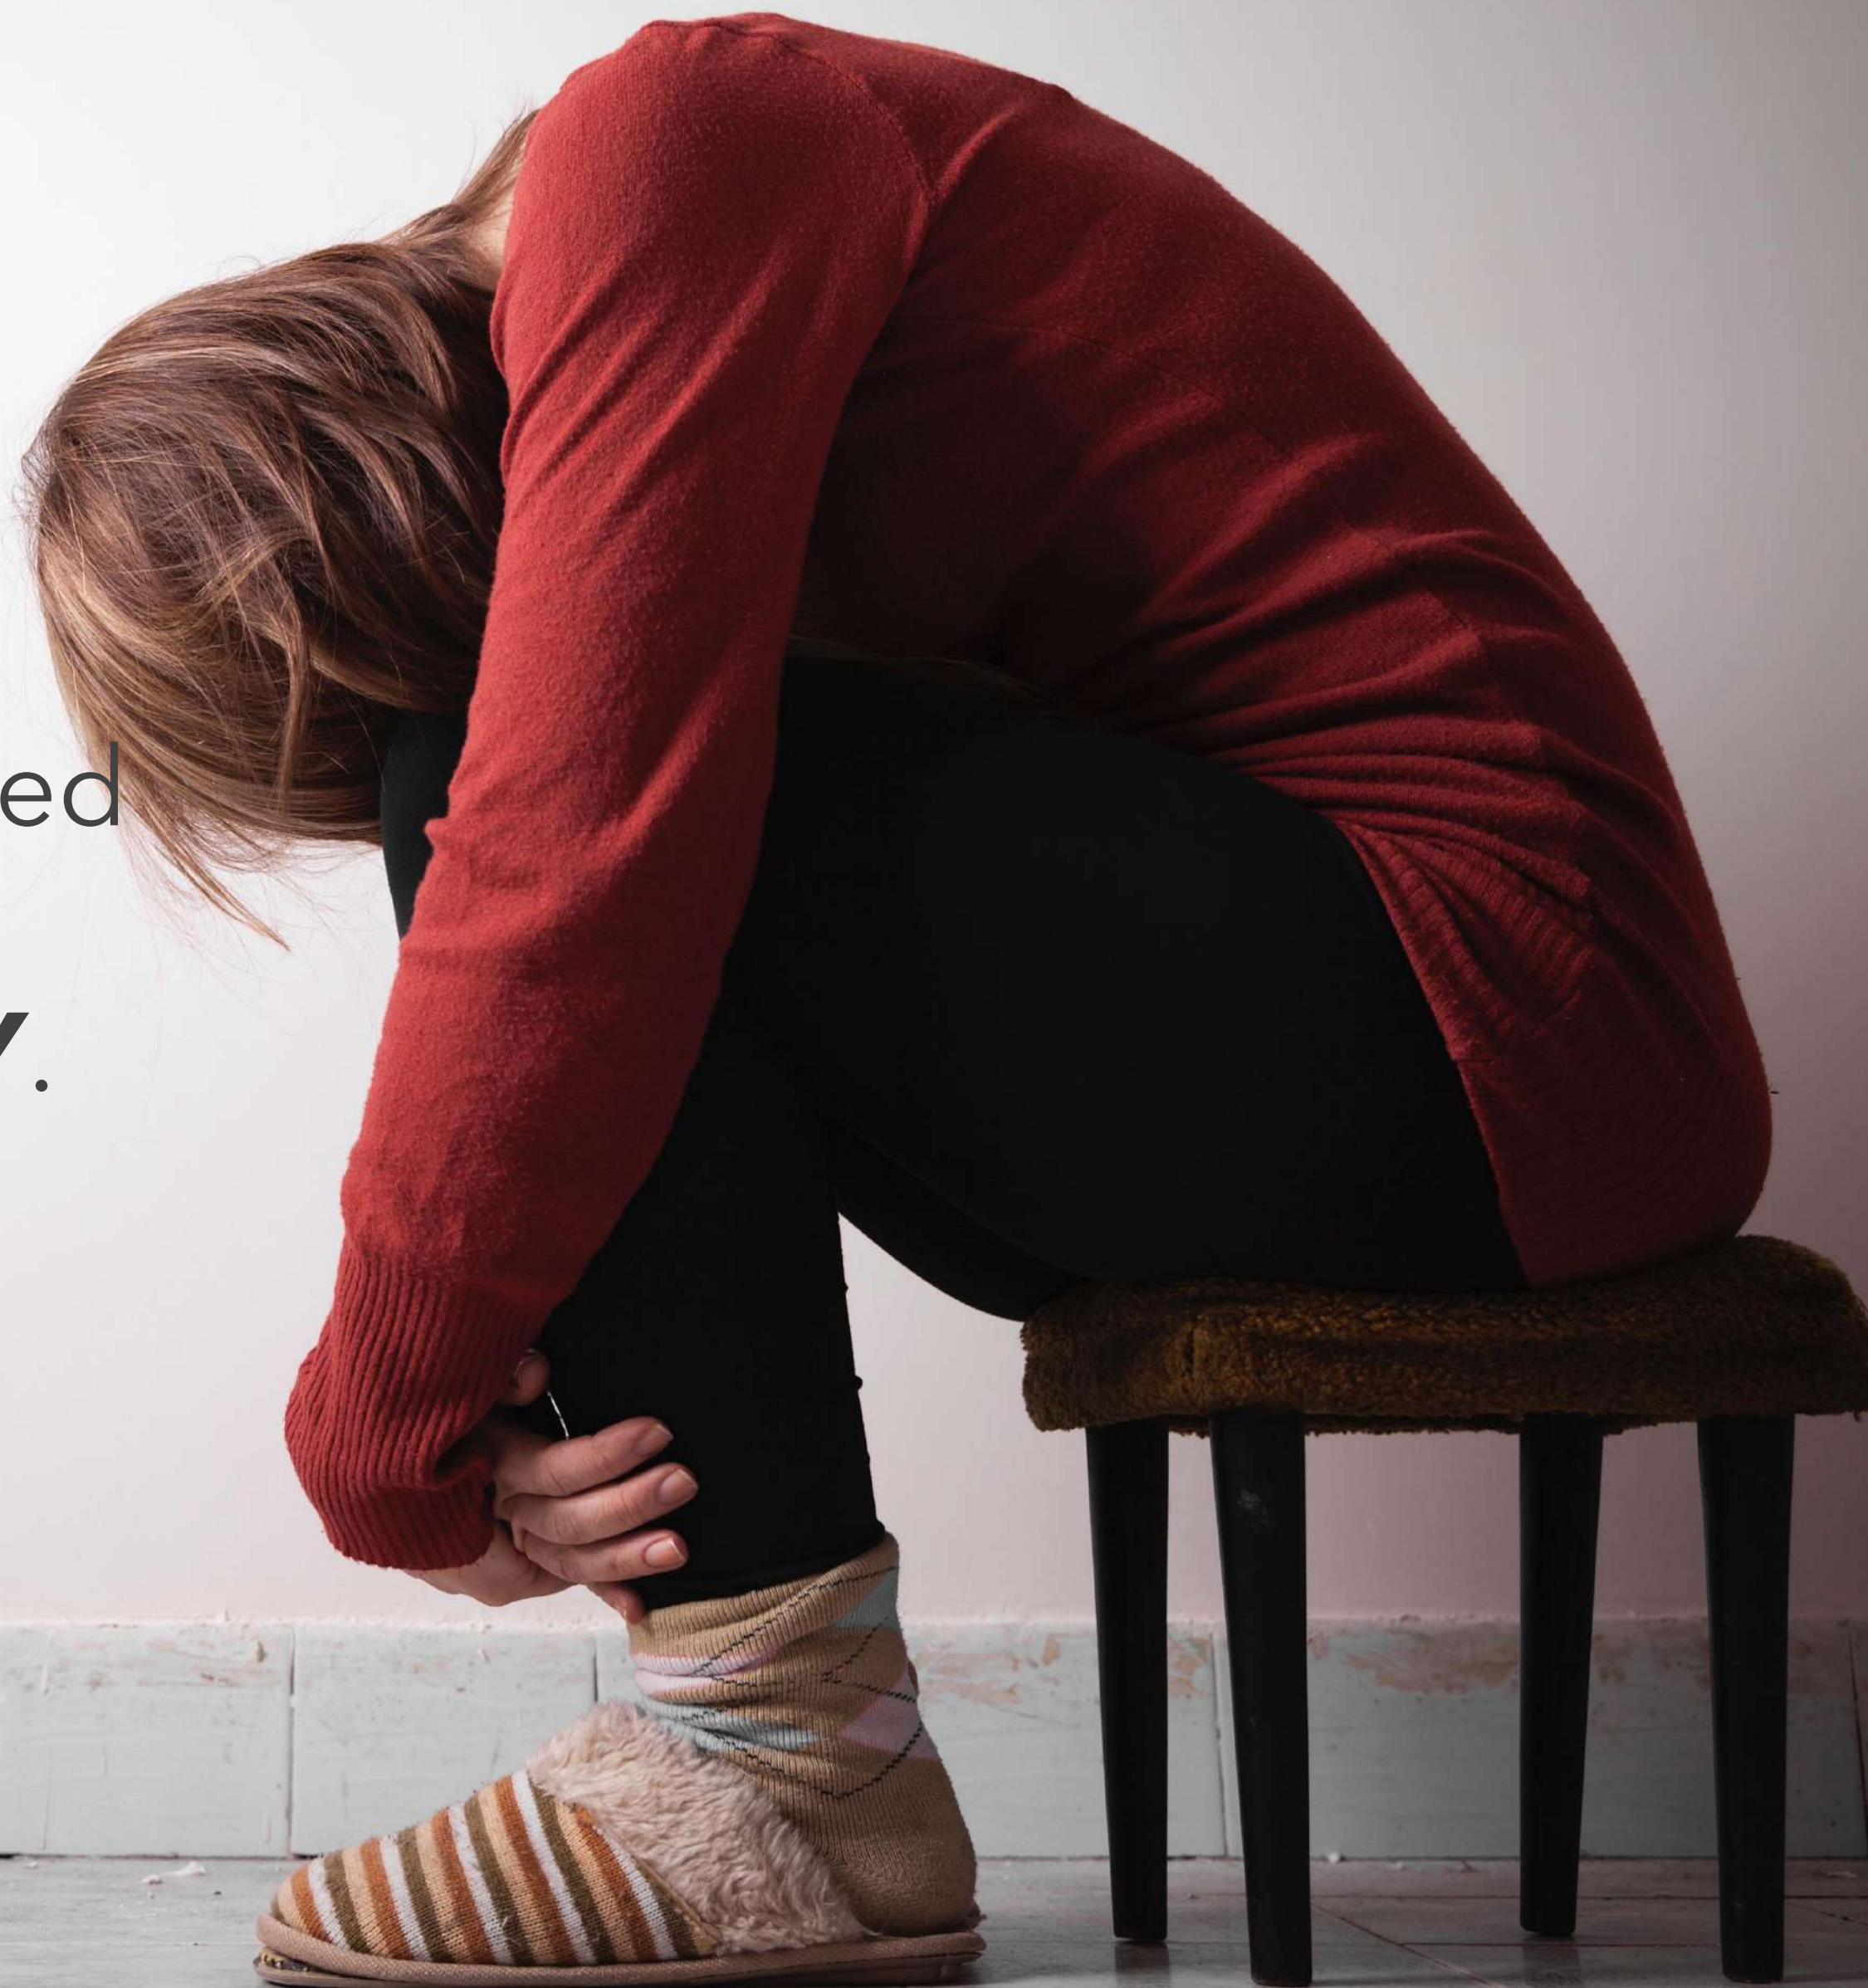

Thousands of children are alone, without adult supervision;  
at risk of being victims of drug and alcohol addictions, crime  
and violence, gangs and many other dangers.

The future of our nation is at stake...

Because the Mexico of tomorrow will be determined for the support we give to children and youth **TODAY.**

Fortunately  
**there is a way.**

The Boys and Girls Club in Mexico has its origin  
in the Boys and Girls Club of America, an  
organization with 150 years of prestige and  
experience

The woman on the left has long dark hair. The woman in the middle has dark hair with a small bow. The woman on the right has dark hair and is wearing glasses. The background is a plain, light-colored wall.
