Part 1: Introduction

Society Undertaking Poor Peoples' Onus for Rights – SUPPORT Foundation is not for profit, non-political, non-religious and women lead organization working in Sindh province of Pakistan since 2010. The organization is registered under Societies Registration Act XXI of 1860 with registration number: 0513 at Shikarpur district of Sindh in the year 2010. The purpose of the organization is to extend support to people who are deprived of their basic rights and struggle for the rights. The organization is being act as defender of rights of citizens focusing women.

Vision

To see an affluent, peaceful and developed society that taking their rights

Mission

“To support and aware the communities for getting their rights & development focusing women and marginalized and neglected population”

Objectives

The fundamental premise of SUPPORT Foundation is that women and men who are conventionally termed as poor have the economic and human capacity as well as the moral right to actively participate in the development process that affects them and to identify their own development priorities.

Aims and goal of SF are;

- Promote respect and adherence of human rights/SDGs and democracy;
- Creates awareness and support for justice of deprived people from all segment of society.
- Engaging in advocacy in concrete cases of human rights violations, and protecting human rights defenders;
- Intervening in cases of torture, and all forms of custodial abuses and state excesses, such as extrajudicial executions and disappearances;
- Paying special attention to vulnerable groups, such as women, children, minorities, and indigenous people, so as to ensure their protection
- Serve as a catalyst to the Women Organizations in their efforts, to empower the marginalized women folk.
- Respond to emergencies, early recovery and continuous support to communities in bringing life back to normal after emergency.
- Promote public awareness in the field of legal/human rights/SDGs and education
- Publish articles through social media and various publications on legal education, society and human rights.

Organization Working Strategy

- Research & advocacy for supporting equal rights & freedom of all people under Universal Declaration of Human Rights
- Formulating and implementing management programs through people's participation.
- To develop linkage between Government – NGO – community.
- Capacity building of social workers and human rights defenders/institutions through various training program, exposure trips and information dissemination for rights
