

SUCCESS STORIES

The program runs in 11 schools of Gilgil Sub-county and Kericho Sub-counties.

OUR APPROACH

During project implementation, Pata Kitabu adopts a participatory, self-help, self-sustaining approach through community involvement, formation of volunteer groups and peer learning mechanism that piggybacks on the existing infrastructure.

IMPACT

- Upheld values among young people
- Enhanced reading culture among young people through book clubs.
- Creation of a just and fair society
- Respect for human rights and human dignity
- Effective and functional programming on time management able to keep deadlines
- Efficient society devoid of corruption and respect to fair work and just compensation
- Sustainable Environmental preservation and nature management
- A generation that is holistically molded and confident to face the future.
