

# FOUR PAWS 2019 END OF YEAR REPORT IN IMAGES

---

A black bear is confined in a cage made of rusty metal bars. The bear's head is visible through the bars, and its mouth is open, showing its teeth and pink tongue. One of its paws is gripping the bars. The cage appears to be made of heavy-duty metal, possibly steel, and shows signs of wear and rust. The background is slightly blurred, suggesting an indoor enclosure.
