

CPAR UGANDA LTD OUR WORK

Preventing ill-health through food sovereignty by facilitating processes that contribute to production of increased quantities and varieties of quality indigenous food that small-holder farmers produce, consume and earn livelihoods from at household level.

Policy advocacy on healthcare services, agriculture, and land use.

OUR VISION AND MISSION

Ugandan rural men, women and children lead healthy and dignified lives during which their rights are respected and their basic needs are met.

Through training and mentoring ensure that households ably meet the basic needs of their members through enhanced livelihoods; access to healthcare, clean water, sufficient and nutritious food.

OUR HISTORY

A proven record contributing to improving well-being of communities, first as a Country Programme of the Canadian Physicians for Aid and Relief (1992-2008) and as an independent Ugandan organisation incorporated on 8th October 2008, as a company limited by guarantee and without share capital and as a not-for-profit body.
