PROGRAM **JUST FOR KICKS**

DONATION AMOUNT **\$7502**

NO. OF CHILDREN SUPPORTED **62**

PROGRAM **JUST FOR KICKS**

TOTAL VILLAGES **13**

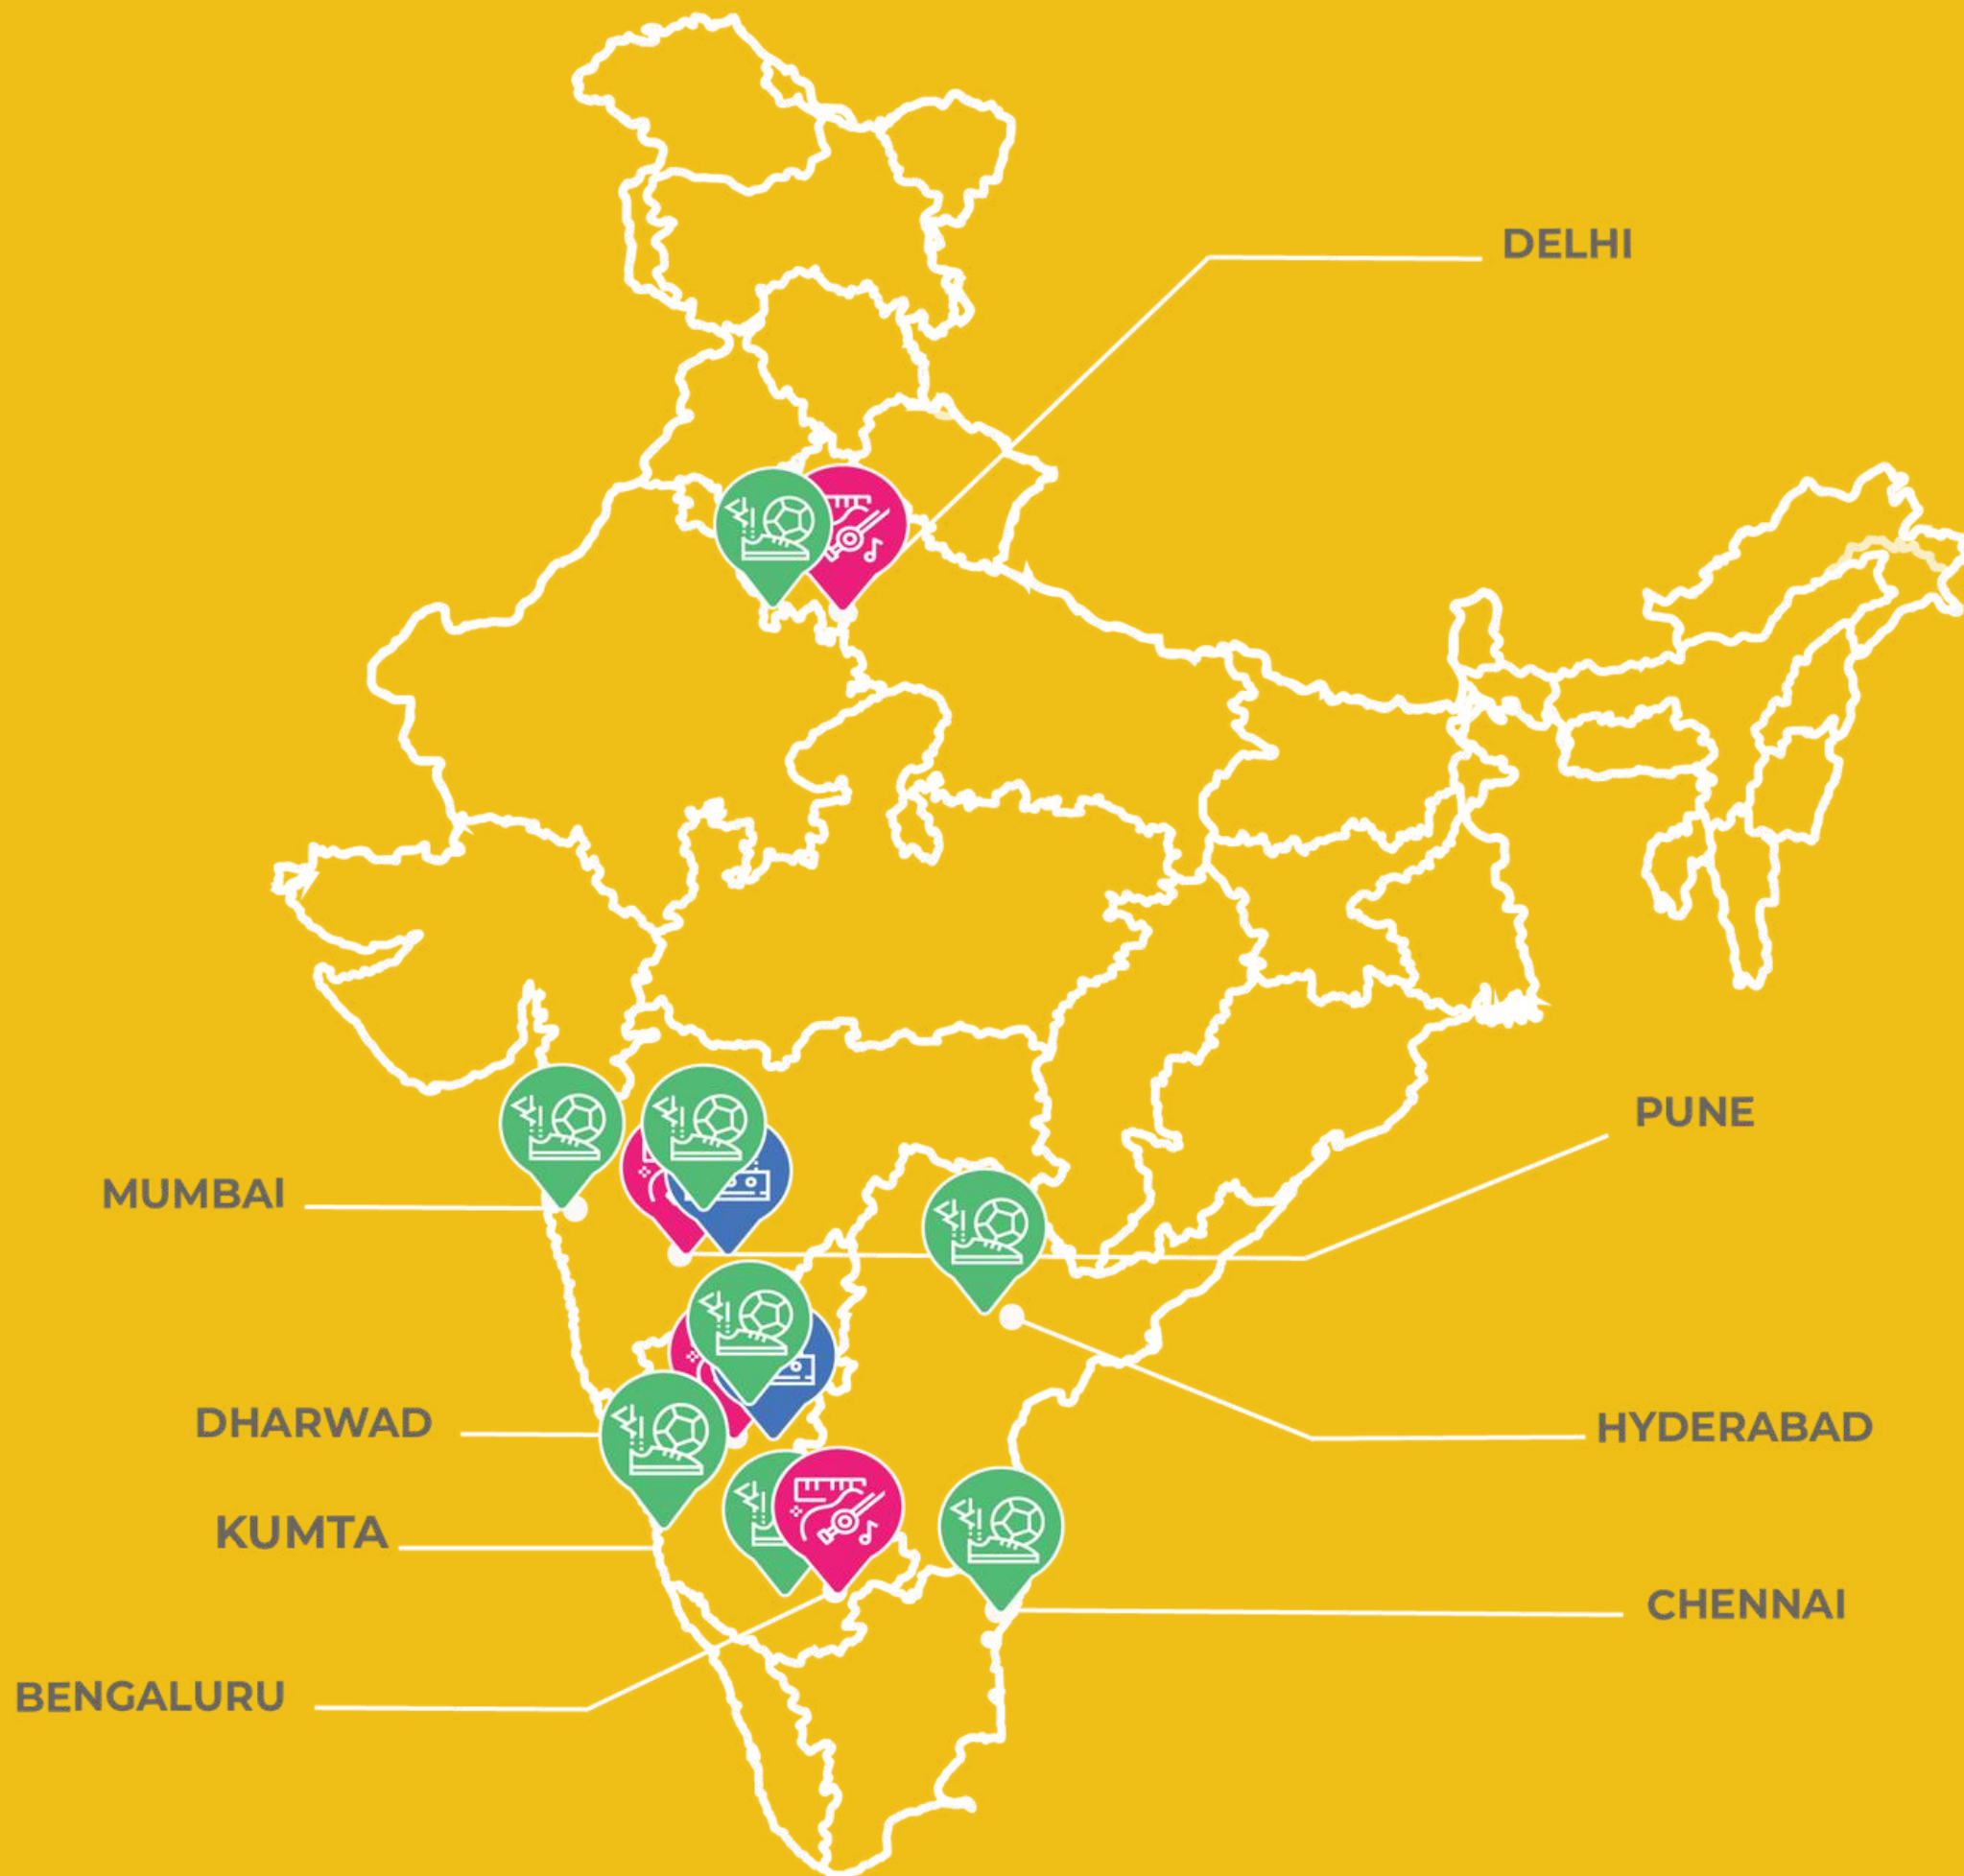

EXECUTIVE SUMMARY

The ending of our 2019-20 program year in March and the start of our new program year 2020-21 in April, have shown us all a whole new set of challenges due to the global pandemic. The COVID-19 crisis has created a greater need than ever before for programs like ours to develop life skills for all children to cope with and bounce back from these difficult times. Our 62 children in the 13 villages in Dharwad all come from low-income and mostly farmers' families. All these families are facing the harsh consequences of the health crisis and the related economic crisis.

Our team is working tirelessly to direct efforts towards supporting our children and planning for contingencies in Dharwad and across our other sites.

7. Vanahalli
8. Timmapur
9. Kardigudda
10. Lokur
11. Kavalageri
12. Maradagi
13. Hebbali

EMBRACING THE NEW NORMAL

March

- Monitoring and evaluation of the program using different methods with our students, parents, teachers from schools, and Just For Kicks coaches.
- In our focussed group discussions with parents from 3 schools, parents shared that they had witnessed a lot of improvements in their children.
- The lockdown started on 25th March and our Dharwad team spent the rest of the month checking in on the children on regular phone calls.

EMBRACING THE NEW NORMAL

April & May

- Our Coaches and Program Managers attended the Football For All online course. During this training, they learnt how to better engage with their students and manage student behaviour.
- We will witness our first mixed-gender program in Dharwad in 2020-21. So far the program has had pure boys' teams and pure girls' teams that play together. The program team has been busy designing and planning this mixed-gender pilot program.
- All team members were in contact with our students on 1-1 or small group check-in calls to hear about their daily lives, understand challenges they're facing, provide emotional support and motivation, share activity packets, and connect with them for discussion/reflection.

EMBRACING THE NEW NORMAL

April & May Continued

- Students performed the different activities suggested and guided by their Coaches:

1. Physical Fitness Activities

Aerobic activities: jump rope, dancing, running in place

Bone-strengthening activities: hopping, skipping, jumping

2. Football Activities

Ball control and ball manipulation in tight spaces.

Learning to juggle between the legs and working on the weaker foot.

Studying positions and tactics using match images

3. Story Telling, Art & Craft

Children were able to express themselves through storytelling and art and craft activities. They expressed their emotions through journaling.

- Parents were encouraged to see the response from their children and felt connected to them as well as the Just For Kicks program.
