ENABLING LEADERSHIP

JUST FOR KICKS

ACTIVITIES 1/4

TRAINING SESSIONS WITH STUDENTS

In preparation for our Just For Kicks Regional League, coaches focused their sessions on the following:

- **Enabling students to apply football skills taught so far to realtime situations during a match**
- **Strategising skills for team tactics and formations**
- **Goal setting conversations at an individual and team level**
- **Identification of team values, team motto and team identities, including the creation of team logos**
- **Reflections on performance so far**

ACTIVITIES 2/4

COACH TEACHER-TRAININGS

- **Mid-Year Training: Based on their teaching experiences in the first half of the program year, the mid-year training's primary focus was to equip teachers to effectively enable leadership amongst their students, and improve overall session delivery through more effective lesson planning.**

- **Monthly Learning Circles: In addition to the above, coaches received monthly support via learning circles. A learning circle meeting brings together coaches from different schools to cross share and collaborate on teaching practices.**

ACTIVITIES 3/4

REGIONAL LEAGUE

The Regional League brings together students in a competitive environment that provides them with a powerful experience of success, failure, learning, growth and celebration. Our theme for this year, #StrongerTogether, was integrated into different parts of the league events, encouraging respect, an appreciation for diversity, equality, and a spirit of inclusion.

Our girl students performed exceedingly well across the League events. Pushed out of of their comfort zones, they demonstrated perseverance and team-work. The winners were Karadigudda Tigers B (U-12) & Hebbali Hunters (U-10) who went on to play at the National Championship.

ACTIVITIES 3/4

NATIONAL LEAGUE

Winners from the Regional League traveled to from their villages in Dharwad to the city of Pune (Maharashtra) for the National Championship on 22nd & 23rd Feb 2020. A total of 450 students participated from across Just For Kicks' programs in Delhi, Mumbai, Pune, Hyderabad, Chennai, Bengaluru and Dharwad.

Students from Dharwad, the only participants from rural India, showed not only courage but skillsl They have shown great implementation of also demonstrated the skill and tactics they had learned. The Girls U-12 team won the National Championship, while the U-10 team were runners-up.

COACHES SPEAK

I have learnt a lot from my students . In the session they always teach me something new when it comes to caring for the environment and community.

MANJUNATH (DHARWAD)

My students have always been role models for me. I appreciate their perseverance in the session.

CHANDRAKANT (DHARWAD)

PAKKIRESH (DHARWAD)

I can see my students make an effort to follow my role-modelling behaviours from the training sessions.

LOOKING FORWARD

As a part of our goal to build a solid foundation, we will focus our efforts in the new year in three critical areas – program development and delivery, building partnerships and fundraising, and organisational development. We have also planned our first rural expansion in 7 villages around Kumta in Karnataka, India and our first expansion outside India in 5 schools in the region of Battambang in Cambodia. In total, we will reach 6,300 children this year.

Some of the key changes we plan to make in the new year include developing resource libraries for teachers, enhancing teacher training, integrating journaling activities, improving data collection tools for monitoring and evaluation

While a large proportion of our funding comes from institutional donors, we hope to expand our individual donor base in the USA, Singapore, and the Netherlands where we have legal entities.

We will maintain our 100% promise – 100% of the funds from our online platforms go toward running the program. This is possible through a group of private donors and foundation grants that cover our administrative expenses.
