

# Thank you so much!

A heartfelt thanks for your support/donation for this event.

PAGA Christmas celebrations brought joy and delight to Amerasian children and their families and made this time a truly Merry Christmas for all!

We hope to continue to serve these children through the support of generous people/groups like you. Together, let us help improve lives and bring a brighter future for underprivileged Filipino-Amerasians.

On behalf of PAGA family, Happy Holidays!
