Dear Fino,

Thank you for everything! I had a great time and I finally experienced what it's like to be outdoors! I still remember the night hike and those stories you tell us and then I laugh. I was really sad when I left but I'll never forget the week I spent at Creekside. I have the tree cookie you made us hanging in my room. Every now and then I'll look at it and Wild Coyote and then I remember to never give up. I'll never forget the smell of the cabin and more importantly the smell of the mountains, the river, the grass, and the whole atmosphere of it. I still keep in touch with Andre and my classmates. I'll also never forget what you always say, "Experience is the best teacher," or something like that.

I think that you're the best instructor, not to mention the coolest! And I'll Never-ever forget you and what you taught me!!!
Thanks Again for everything Fino!

"Survivors for life"

Sincerely,

Eddie Taur
