

Dear Sponsor,
thank you for paying for our
trip to Rancho Sonato we all had
a great time and I learned
a lot of stuff about science

like when we learned a-
bout water pollution and
what happens when there
is a fire, all those things were
fun but my favorite was
all the hiking it got pretty
tiring but it was still very
fun in a healthy way. It
was a very good field trip and
thank you for sponsoring it for us.

Sincerely

Nur
