This is the June report for the next Amma event, Copenhagen, humanitarian aid & climate

The Amma events held in 2018 and 2019 in “Brøndby Hallen,” Copenhagen, were very successful. Both events were made possible by donations, giving free entrance so anyone could meet Amma.

Your donation on GlobalGiving helped making the Amma event 2019 possible – contributing in covering important costs to run such a huge project.

The annual financial report for 2019 has been approved by the Amma-Danmark board (coordination group) and by an external auditor. The report will be presented at the annual meeting in Amma-Danmark in September 2020.

In beginning of April 2020 Amma-Danmark made its annual donation transfer for 2019 (i.e. previous accountant year) to Amma’s charity organisation: “Mata Amritanandamayi Math (Embracing the World)” in India. The donations included net proceeds from the Amma event in 2019 as well as other donations received in 2019 for Embracing the World.
