This is the October report for the next Amma event, Copenhagen, humanitarian aid & climate

Due to Covid-19 there will be no Amma event in 2020 like the ones held in 2018 and 2019 in "Brøndby Hallen," Copenhagen, which were both highly successful. The two events were made possible by donations, giving free entrance so anyone could meet Amma.

Your donation(s) on GlobalGiving helps making a next Amma event possible in Copenhagen, when it again will be possible for Amma to travel abroad after the Covid-19 restrictions etc. – your donation(s) are contributing to covering important costs to run such a huge project in Denmark.

The annual financial report for 2019 has been approved by the Amma-Danmark board (coordination group) and by an external auditor. The annual finical report for 2019 report was presented at the annual Amma-Denmark meeting on 8th September 2020 and approved by the delegates (members of Amma-Denmark).

The accounting overview for the Amma Program in 2019 is on the next page.
