

## 2022 SCHOOL YEAR FINISHED!

**IT'S A WRAP!!!**

### 9TH GRADE GRAD CEREMONY

Our ninth graders finished with high scores in all their classes and the national hymn test. Tenth grade is just right across the block and the university is one step closer!!!!

### KINDERGARTEN GRAD CEREMONY

Our preschoolers also celebrated graduating and going to first grade this Feb. 2023. 25 boys and girls passed with great grades this year.

### GIFTS FOR CHRISTMAS

All of our 200 students received a gift, toys, clothes, and shoes for Christmas. It was a great and fun day for everyone. They all had a blast!

## NEW STUDENTS FOR 2023 SCHOOL YEAR

We are welcoming new students: We have a big waiting list of new children who want to study here, they have come to school on several occasions to eat and just talk. We are thrilled to serve these children. Our goal for this 2023 school year is to receive 250 students from kindergarten through tenth grade and be able to provide whatever they need for a proper school year.

## FRESHMAN YEAR FOR JENNIFER IN THE NATIONAL UNIVERSITY OF HONDURAS

Our girl Jennifer did it again! She scored the necessary points on her admission test to study for a Bachelor's in Pedagogy at the best university in Honduras. If you want to support Jennifer in her 4-year journey consider donating through GlobalGiving.

*This 2022 came with lots of challenges, personal and Non-Profit related, but in each one of the struggles, no matter if it was little or huge, my God was there holding my anxious heart whispering "I got this, chill". This is because of people like you who donate, who believe that there shouldn't be children working in the trash dump; thanks to all of our donors who make dreams come true for our students...*
