Time flies when education is winning!!!!

Thanks to our friends in Germany we are almost finishing a new classroom.

UNDER CONSTRUCTION

Brand new bicycles for students who live far away from school.

Our Master Chef Jenny turned 41!

Even though we only have 4 teachers, kids are still on classes and we are getting ready to wrap it up in December!

Academic excellence students Dauryn and Sofia will have a new house thanks to our awesome friend Ruth.

We celebrated Indian Lempira National Holiday with a big Honduran party!

We keep on providing food, education and shoes for all the families.
