

GRACE 2020 SCHOOL YEAR

213 REASONS TO FIGHT!

With 213 students in Grace on this 2020, our hope is to witness God's glory through provision, safety, growth, health, academic achievements and transformed hearts. 213 reasons to fight as we walk the extra mile into serving our children.

EIDY

Beginning her professional practice in april in a prestigious company, Eidy is graduating from a Bachelor's in Merchandising, Communication and Publicity in september 2020!

JENNIFER

Currently in 10th grade, receiving a scholarship from Grace, Jennifer is a spiritual youth leader, as well as our Preschool and math assistant this year. She sets the bar high and children look up to her.

JOSÉ ABRAHAM

We are currently working into providing a new home for the Fernández Family as they will get evicted soon from the place they live. We continue to trust in God's plan.

Building dreams, recycling lives

WHAT'S HAPPENING IN GRACE?

Six different communities served, 4 year old children to 50 years old adults are coming together everyday to study. The community is waking up and realizing that education is the answer. Seventh graders are setting the example, mothers are making up time and everybody is excited for their new uniforms and school supplies. Teenagers are falling in love and children are making new friends. Spending way less time in the dump and more in the classrooms, we live through Philippians 4:13. To God be the eternal glory!

"I want to learn English to thank our donors when they come to school, for providing us education, a school and food."
- Katherine Graciela, 7th grade student
