

Gratefulness vibes!

What November looked like

We wrapped up our 2025 school year with an incredible celebration for the whole school! Each student was gifted new clothes, shoes, toys, food supplies for their homes, and their school certificates.

A total of 110 children and teenagers successfully completed the school year. Our outstanding student, Angélica, graduated from ninth grade, making history as the first student at Grace Honduras to finish nine years of schooling on the honor roll.

*We
thank
you!*

We are profoundly thankful for our partners who make this work achievable. Without your support, we would not be able to fight against child exploitation in the garbage dump of San Pedro Sula.

With a heart full of gratitude and honor, I want to express my sincere thanks for believing in us.
