COMMISSIONER'S MESSAGE

W. A. Stanley
Commissioner
California Highway Patrol
P. O. Box 942898
Sacramento, CA 94298-0001

Greetings,

Every year, the members of the California Highway Patrol provide the highest level of Safety, Service, and Security to the people of California, and this is not possible without the hard work of our employees. Their strength, courage, and commitment are unparalleled. Despite the stress and danger our employees face every day, I am proud to say they continuously uphold the highest standards in law enforcement.

For over 36 years, this Department has been supported by the CHP 11-99 Foundation, who comes to our aid in times of need. The Foundation has always, without hesitation, provided the necessary support to our employees and their families to alleviate challenges they may encounter. For example, in this past year several communities in California were devastated by wildfires, with many of the victims being our employees. The CHP 11-99 Foundation came to the aid of these employees during these fires, providing them with necessary resources, without recognition or anticipating anything in return, and for that I am eternally grateful. Their assistance has always been invaluable to members of this Department.

In 2018, our CHP family endured the tragedy and heartbreak associated with the loss of Officer Kirk Griess, who laid down his life while protecting the people of California. Without delay, the CHP 11-99 Foundation showed their compassion and immediately began providing assistance to aid his family through their devastating loss.

As Commissioner, I am honored to be a part of this strong relationship that exists between the CHP 11-99 Foundation and the California Highway Patrol. Our partnership is critical in allowing the women and men of the California Highway Patrol to serve 24-hours a day, 365 days a year. I want to personally thank all of the members of the CHP 11-99 Foundation for their continued dedication and assistance to our Department.

Sincerely,

W. A. Stanley

MEET OUR TEAM

MESSAGE FROM THE CEO

STEPHEN W. HARRINGTON
Chief Executive Officer
11-99 Foundation

It was a challenging year for the CHP and California. The tragic loss of Officer Kirk Griess is an example of how dangerous and difficult a CHP officer's job can be, and one of the main purposes for which we exist. The 11-99 Foundation provided Officer Griess's family with immediate financial assistance, helping to ease some of the burden of funeral costs and expenses while they were grieving. We will continue to take care of

them as we do all of our Fallen Hero and CHP families in need.

The recent fires throughout the state were another severe challenge faced in 2018. Many CHP families lost their homes while their brave officers were out saving lives. Throughout the loss and devastation, the 11-99 Foundation was there for each of these families—providing direct and immediate assistance.

The 11-99 Foundation aids CHP families statewide with emergencies, death benefits, support for CHP Explorer Programs, and scholarships for dependents of CHP employees. This past

year, we provided nearly \$2.4M in scholarship awards to over 1,000 deserving students.

Overall in 2018, nearly \$3M was provided to CHP families, and was only possible because of the kind and generous donations of our members and donors. Without your funding behind us, we could not begin to provide the level of assistance that is continually needed.

Each time I see a CHP badge, I am reminded of what the seven points of its star represent: **Character, Integrity, Knowledge, Judgment, Honor, Loyalty, and Courtesy.**

The California Highway Patrol highly upholds and exhibits these values and is truly one of the finest law enforcement agencies in the world. We are proud to be a partner in support.

Our mission is clear and simple: *We exist because a CHP family is in need.*

Thank you for all you do to advance our mission.

BOARD OF DIRECTORS

MESSAGE FROM THE CHAIRMAN

I would like to thank our members and donors for another year of dedication to support our CHP family. 2018 was very challenging for all CHP employees, and stretched many department resources to their limits. On top of the ongoing danger of performing their regular duties, the devastating fires that ravaged California called upon the CHP to make countless sacrifices to uphold their oath to protect California's citizens. They demonstrated unparalleled bravery, and many lost their own homes while saving the lives and property of others.

While the fires burned, the full-time job for the 11,000+ CHP employees to serve and protect did not stop. Tragically, motorcycle Officer Kirk Griess was killed in the line of duty while conducting a traffic stop. Thanks to your ongoing generosity, we were able to provide immediate support to his family, and critical support to the entire CHP family

during this difficult year.

The 11-99 Foundation provided over \$2.6 million in assistance to CHP families in 2018, consisting of death and emergency benefits, college scholarships, and additional provision to those affected by the fires.

Though we hope and pray that no further calamities will transpire, we realize that the dangerous nature of CHP jobs means we will inevitably be needed in the future as first responders to those who are first responders to us.

Thank you for your caring support!

HEROES & HELPERS AMONG US: CHP'S ROLE IN DEADLY WILDFIRES

Continued from cover

Our beloved state faced overwhelming devastation and loss in 2018 due to the wildfires that raged across its land, decimating communities, businesses – even entire towns. In the devastation and darkness, our brave CHP heroes shined as beacons of hope and light, never wavering in their call to serving others. Despite their own losses, uniformed and civilian CHP employees faithfully reported to work and continued to show their commitment to selflessly serving the community.

CARR FIRE

On July 23 near Redding, sparks from a trailer's flat tire ignited the Carr Fire, which burned nearly 230,000 acres in Shasta and Trinity counties. Over 1,600 homes and structures were destroyed and sadly, three firefighters lost their lives. Six Northern Division and Redding area office CHP employees lost their homes, while 12 employees were evacuated. The CHP Northern Division office was evacuated and remained such for almost two weeks.

WOOLSEY FIRE

In Southern California on November 8, the Woolsey Fire began, spreading across Los Angeles and Ventura counties. Flames raced through Woolsey Canyon, gaining momentum from the Santa Ana winds, and swept into the Santa Monica Mountains, where it burned almost 97,000 acres. In all, 1,500 homes and over 300 other structures were obliterated. Sadly, three firefighters were injured, and three civilians lost their lives.

CHP West Valley aided the community in evacuation efforts, knocking on the doors of residents in the unincorporated territory of the Santa Monica Mountains that falls under CHP jurisdiction. Because most of the burn areas were in remote locations and at high elevations, animals were left behind on evacuated ranches, and the CHP were able to rescue and move many of them to safer ground. Road closures and perimeter control were especially crucial to everyone's safety in the canyon's steep, narrow, meandering roads. CHP West Valley officers and Explorers worked alongside Malibu residents to carry evacuation supplies, food, and water from boats up the beach, which was the safest access point for delivery.

CAMP FIRE

Out of the many fires that followed during the summer and fall seasons, the Camp Fire in Butte County was the deadliest wildfire in State history. On November 8, what began as a vegetation fire rapidly gained momentum and raged beyond imaginable measure. Over 150,000 acres were burned, destroying almost 14,000 homes, over 500 businesses, and over 4,000 other structures. Tragically, three firefighters were injured, and 86 civilians were killed.

Approximately 200 uniformed personnel from the Valley, Golden Gate, Northern and Central CHP Divisions were deployed to Butte County for 39 days – some working 20+ hours a day, and were instrumental in relief and recovery efforts during this period. Their involvement focused on search & rescue, evacuation, road closures, perimeter control, and assistance to allied agencies. They also provided general law enforcement services to prevent looting in towns such as Paradise, Concow, and Magalia, and protective service detail for the President of the United States during his visit.

The 11-99 Foundation assisted 23 CHP employees and their families who lost their homes. Unfortunately, some of these families are still displaced due to the severity of smoke damage, despite their homes

being structurally intact. Deepest thanks for standing with us behind the CHP during and after these challenging times. We appreciate the donations that poured in to help us continue assisting these families who lost everything and are now trying to rebuild their lives.

My family has been in this state since President Pierce. Through long experience, we know when an organization "gets it right". It's our privilege to support the C.H.P. and your foundation's efforts.

— **G.P. Van Vranken**
CHP 11-99 Donor

As I sit here in tears, I am blessed and proud to be a part of this CHP family and to be able to type this email and say "Thank You" for your generosity. I would like to say to the 11-99 Foundation and its members that your mission has truly been reached as I can testify that you touched my life in more ways than you know or than I can express. I pray that God abundantly continues to bless your work.

— **A very grateful CHP employee**

First and foremost, thank you for serving in your respective capacities within the noble CHP 11-99 Foundation. I suspect most of us never think we will have occasion to need assistance during the course of our career with the CHP; I counted myself among those.

Two or three days ago I received a benefit check from the 11-99 Foundation and was moved by the thoughtfulness and generosity of the organization and its members. That benefit provides the ability for my family to take a deep breath and momentarily forget about tracking receipts, dealing with insurance claims, and wondering about reimbursement rates from the insurance company.

Thank you for the gracious helping hand and for so kindly anticipating the needs of department members which you so effectively serve.

— **Cliff Morrison, CHP Captain**
Oroville Office

I am writing to thank you for the assistance the 11-99 Foundation provided to the family of one of our employees who recently passed away. I also wish to thank you for allowing me to present the check on behalf of the 11-99 Foundation. Their emotional response to your letter and assistance was genuine gratitude and their spirits were noticeably brightened.

Thank you for providing a positive experience for this family during this difficult time, especially so close to Christmas. Your help is a huge relief to the family. Your commitment to our California Highway Patrol family is appreciated by all of us in our office.

— **J. Song, CHP Commander**
Information Technology Section

I am writing to express my sincere thanks for your assistance to one of my employees. The financial help you graciously provided made a significant impact on the family.

Although we know the 11-99 Foundation is always here for us, there is nothing more apparent than a moment like this when the lives of a CHP family member are impacted so profoundly. Your commitment to our CHP family was witnessed by a few of us, but is fully recognized and acknowledged by the entire LACC family. The Foundation's benevolence and generosity is greatly appreciated.

SCHOLARSHIP PROGRAM

MESSAGE FROM SCHOLARSHIP COMMITTEE CHAIRMAN

John Schroeder
Scholarship Committee Chairman

As scholarship committee chairman for the 11-99 Foundation, I believe it is important to convey our commitment to constantly improve our scholarship program.

With ever-rising tuition rates and costs, financial assistance for education is more critical than ever. The stress of paying for post-secondary education is an ongoing challenge for many students. One of our primary goals is to expand our capacity to help dependents of CHP employees achieve educational success, by annually increasing the amount we give and reaching more and more students.

Since 1982, we've awarded over \$27 million to deserving applicants. We want to encourage as many as possible to apply, but at the same time, maintain a standard of GPA for those who are serious about what they are doing.

We receive many thank you notes each year from grateful award recipients, and the common theme is their appreciation for the ability to focus on studying rather than worrying about college debt, loans or other financial concerns.

College is not for everyone and there are so many things out there to pursue, so we are very supportive of those who wish to attend trade or vocational training schools as well. While we cannot map out anyone's future, we wish to make their dreams possible and eliminate the barriers of finance so that they're free to choose their path.

In 2018, we awarded \$2.4 million to over 1,000 students, with awards ranging from \$1,250 to \$15,000. The chart below also shows a snapshot of this.

\$2.4 MILLION AWARDED IN 2018

EXPRESSIONS OF GRATITUDE FROM 2018 SCHOLARSHIP RECIPIENTS

“Thank you very much for gifting me a scholarship — it removed a financial burden on me as well as on my family by paying for my spring semester. I didn't even have to take out a single loan! I promise you I will continue working hard so that one day I can also give back to the CHP family.”

— **Connor Crutchfield**, scholarship recipient

“The appreciation and gratitude I feel cannot be verbalized. Your generous scholarship is allowing opportunities in my life that never seemed possible before. My only hope is that I prove worthy of the faith that you have entrusted in me – it will be earned. Not every day someone opens the door to your dreams.”

— **Mason Goulding**, Sullivan Advanced Study scholarship recipient

I am writing to express my sincere gratitude to you... I was thrilled to learn of my selection for this honor and I am deeply appreciative of your support. I promise you I will work very hard and eventually give something back to others, both as a teacher and possibly as a scholarship donor to future students like me."

— Meghan Chrissakis,
scholarship recipient

It is such an honor to have been chosen for the Sullivan Advanced Study Scholarship, and I can't tell you how much your help and generosity has supported my dreams and aspirations. Your incredible gift will allow me to study and live each day without the stress and burden of trying to take on too much.

I strive to one day follow in your footsteps and continue the legacy you have created, lifting others and giving them the gift of flight."

— Sydney Baer,
Sullivan Advanced Study scholarship recipient

I cannot explain from a student's perspective how this scholarship will impact my year, relieving any financial stress that I have and motivating me throughout the year to work hard enough to truly feel as though I am earning your generosity. As the child of a law enforcement officer, I would like to thank you from the bottom of my heart for showing that you not only care about CHP families, but that you support us, and want the future generations of law enforcement families to succeed. For that, and for your incredible generosity, I thank you."

Officer Griess with his family, L to R: Daughter Kadi, wife Keri, daughter Kaci and son Kole.

FALLEN HERO OFFICER KIRK GRIESS

Continued from cover

On the morning of August 10, 2018, CHP motorcycle Officer Kirk Griess, 46, was conducting a traffic stop on the shoulder of I-80 in Fairfield. A pickup truck veered over and hit Officer Griess, his motorcycle, and the other vehicle.

Sadly, Officer Griess did not survive his injuries. Kirk was a 19-year veteran with the California Highway Patrol, with 16 years at the Solano Area CHP office. He also served his country as a United States Marine. He is survived by his wife, Keri, two daughters, Kadi and Kaci, and his son, Kole.

Stage at Officer Griess' Memorial Service

Without delay, the CHP 11-99 showed their compassion and immediately began providing assistance to aid Officer Griess' family through their devastating loss."

CYCLING 4 HEROES

Retired Oakland CHP Motor Sgt. Mark "Mac" McAfee is planning a Century bike ride (100 miles) to honor Fallen Officer Kirk Griess and his family. Mac will ride from Petaluma to Sacramento during Police Officer Memorial Week in May 2019. He will attend the California Peace Officers Memorial Ceremony and then ride to the CHP Academy Memorial Ceremony to pay respects to all CHP Fallen Heroes who were killed in the line of duty. Any donations he receives for the ride will go to the 11-99 Foundation.

Thank you, Mac, for your thoughtful efforts to honor and remember your fallen colleagues and to help us support their families.

To contribute to the **CYCLING 4 HEROES** Century bike ride, please go to **www.chp11-99.org/donations** and select "CYCLING 4 HEROES" from the donation response drop-down, or make checks payable to the 11-99 Foundation with "CYCLING 4 HEROES" referenced in the memo.

The 11-99 Foundation has been there for us in the worst of times, and it is critical we support this amazing organization."

CHP EVENTS

Many CHP area offices have formed and organized squad clubs for the main purpose of raising money for their internal programs, and raising funds for non-profits in their communities. Common events they hold include golf tournaments, pheasant hunts, and other gala fundraisers. Currently, about 25 squad clubs donate proceeds to the 11-99 Foundation. We are thrilled and thankful for their generous support and contributions.

EARL SCOTT MEMORIAL GOLF TOURNAMENT

The annual Earl Scott Memorial Golf Tournament, produced by the Modesto CHP Squad Club last October, was another successful event. The Squad Club recognizes and thanks major sponsor, Bref Smart and his company, Heritage Ford, for their tremendous support and help, truly making the tournament possible. Thanks also to Steve's Chevrolet and 3 Amigos Auto Center, for providing Hole-in-One cars. A special thank you to Teresa Mahnke, wife of retired Sgt Mahnke, who has tirelessly worked to make the tournament what it is and has kept it going in Earl's memory. Thank you Modesto Squad Club, for running the tournament and generously donating the proceeds to the 11-99 Foundation!

SR. VOLUNTEER CHECK PRESENTATION

Bob Teal, former 11-99 Board Chairman, now Senior Volunteer for the Indio CHP office, is always happy to tell others about the Foundation and promote our good works. Some of the members of the Senior Volunteer Program from the Indio CHP office pooled their donations and presented a check to Bob to pass along to the CHP 11-99 Foundation. In addition to the donation, Senior Volunteer Ricky Lee Noecker and his wife, Meloni Hallock, became lifetime members of the 11-99 Foundation. We are truly grateful to have the support of the Senior Volunteers and to Bob for his continued support and promotion of the 11-99 Foundation.

RIVERSIDE CHP EXPLORER POST EVENT

The Riverside CHP Explorer Post hosted the 840 Twist Tee Off golf tournament in October. Through the support of several community members, local businesses, and hours of dedicated work from the Explorers and volunteers, the Explorer Post presented the CHP 11-99 Foundation with a check for \$5,000. Great job and thank you, 840 Explorers!

5 - STAR SALUTE

The CHP 11-99 Foundation wishes to salute the following CHP Squad Clubs that contributed in 2018:

27th ANNUAL NORTHERN CALIFORNIA GOLF CLASSIC

We couldn't have asked for a more beautiful Fall day at San Jose's Silver Creek Valley Country Club last October for the 27th Annual Northern California Golf Classic! Nearly 100 golfers enjoyed exquisite scenery as they expertly swung their golf clubs for the win.

We saw many emotional faces at dinner as our guest speaker, CHP Solano Officer Marvin Hurn, accompanied by his wife Deanna, shared the story of his miraculous recovery from a paralyzing injury he sustained, and how the Foundation provided assistance with ADA accessible equipment during that most challenging time. Even though Officer Hurn was paralyzed from the neck down for several months and was told he would never walk again, amazingly, he recovered completely and now lives a normal life. Seeing Officer Hurn walk up to the mic at the beginning with a (very) slight limp, no one could have guessed they were witnessing a walking miracle!

We were happy to see familiar faces of other GG Division chiefs and CHP personnel in attendance. Our deepest gratitude to Title Sponsors Nicki & Joe Parisi of Therma Corporation for being the pillars of this event with their many years of generosity and kindness. Many thanks to key contributors Donna Wills, the Wills Family and to Bob Salvarezza of Coast Marine & Industrial Supply, Inc.. Special thanks to our volunteer committee members and San Jose CHP for their ongoing support and leadership. Overall the event raised over \$158,000!

8th ANNUAL CHP'PINO FEED

We had a winning turnout for the 8th Annual CHP'pino Feed last March. Nearly 450 guests filled San Jose's Club Auto Sport as they mingled, bid on auction items and looked forward to dining on crab cioppino. Thanks to our wonderful supporters and attendees who were gathered in support of the 11-99 Foundation, the gross revenue raised was over \$128,000 – a smashing success! We'd like to thank event hosts and friends, Norma Navarro & Ralph Borelli. Without their network of friends and colleagues, there would be no CHP'pino Feed. We are very grateful to everyone who was involved and made the magic happen.

We were honored to have Golden Gate Division Chief Ernie Sanchez as our guest speaker. Also in attendance were many CHP division chiefs and captains, and the majority of the 11-99 Foundation's Board of Directors.

Special thanks to all of our sponsors—especially Vintage Wine Merchants for their generous support. As always, a huge and heartfelt thanks to our faithful and hardworking volunteers from San Jose CHP, led by Captain Ceto Ortiz, and our 11-99 friends who volunteered for the day—we cannot express enough how appreciated you are!

18th ANNUAL WINNER'S CHOICE DRAWING

To conclude the evening program at the Northern California Golf Classic, we held our annual Winner's Choice Drawing for a 2019 Ford Mustang BULLITT or \$50,000 cash grand prize. This year's winner was 11-99 member Jon Lee of Santa Cruz, who had bought his lucky ticket the night we kicked off the drawing at Monterey Car Week last August. After much consideration and discussion with his son Dillon, Jon decided to go with the cash prize. Congratulations, Jon and Dillon!

We'd like to especially recognize and thank 11-99 Board Member Larry Carter and his wife Juana, who generously underwrote a large portion of the cost of the Mustang BULLITT for our drawing. A special thanks also to 11-99 member Steve Reich, producer of Jay Leno's Garage, and John Clinard of Ford Motor Company Communications, for coordinating the logistics of obtaining the BULLITT.

Thank you to all our supporters who entered the drawing—we sold all 2,000 tickets this year, selling out for a grand total of \$200,000 raised!

L to R: Santa Cruz CHP Sgt. Jason Grimm, winner Jon Lee with his son Dillon, 11-99 Board Member Larry Carter, Officer Steve Tanguay.

HIGHLIGHTS

36th ANNUAL BOB WEINBERG GOLF TOURNAMENT & EVENING SHOW

Our Bob Weinberg Golf Tournament was a huge success, largely due to the generosity of our wonderful corporate and individual sponsors. We are very grateful to Harbor Freight Tools Foundation, who was our Title Sponsor for the second year in a row.

After a fun day of golf, including the delicious Perricone family sausage & peppers lunch, (which they have been serving at this event for well over 30 years!), the clubhouse buzzed with excitement. As golfers and guests socialized with cocktails and hors d' oeuvres, they competed for the winning bid on their favorite silent auction items before the dinner and entertainment in Los Coyotes' ballroom.

Master of Ceremonies and auctioneer, Shawn Parr, delighted us with his wit, energy and enthusiasm throughout the evening, and comedian Orny Adams wowed us with his clever and creatively humorous antics.

Congratulations to Patti & Paul Norris and Traffic Management, Inc., who were selected for 2018's prestigious Commissioner Awards. CHP Commissioner Warren Stanley personally presented the awards and expressed his thanks for their tremendous support.

We wish to recognize some of our longstanding sponsors who have participated for over 25 years: UPS, Hitchcock Automotive Resources, Comcast NBCUniversal, The Autry Foundation, In-N-Out Burger, American Airlines, Commerce Casino, Guess Foundation, and Los Coyotes Country Club.

Numerous other sponsors have exceeded the ten-year mark, including: CAHP Credit Union, Veros Credit, Capital Group Private Client Services, Johnny Carson Foundation, Industrial Metal Supply, the McAuley Family, Perricone Farms, Urban Science, The Maurice Marciano Family Foundation, Meadowood, Traffic Management Inc., Accurate Steel Treating, Inc., Airbus Helicopters and Safe Scaffolding.

Several new sponsors were welcomed in 2018: John Jory Corporation, A.J. Edmond Co., Patti & Paul Norris, Redlands Ford, RideBidz, Inc. and Statewide Towing.

Our deepest gratitude to ALL of our sponsors, supporters, volunteers and committee members who made this event a success. The overall amount raised was \$332,000!

L to R: First place tournament winners, Raul Morales and Patrick Grady with Master of Ceremonies, Shawn Parr.

L to R: Gene Cutrone, Bob Okada, Frank Cutrone, III and Frank Cutrone, Jr. during registration.

ANNUAL VINTAGE ELECTRIC™ BIKE OR \$5,000 CASH DRAWING

To commemorate the 11-99 Foundation's NEW \$100K Platinum membership (more info on p16-17), we teamed up with Vintage Electric™ once again to design a one-of-a-kind Platinum Edition Café bike. This commuter electric bike reboot, with its sleek platinum color frame, is perfectly paired with a classic retro wood inlay showing a custom 11-99 Foundation emblem. 11-99 member, Karl Bakhtiari of Burlingame, was the envy of many when his winning ticket was drawn at our Facebook live-streamed drawing on August 15 at Vintage Electric™ headquarters in Santa Clara. After the bike drawing in 2017, Karl purchased his own Tracker model bike, so he is now the proud owner of two very special Vintage Electric™ bikes! Thanks to everyone who purchased tickets to enter the drawing – because of you, we raised over \$51,000!

VOLUNTEER SPOTLIGHT

SAN JOSE CHP AREA OFFICE

Since the early years of the 11-99 Foundation's presence in the San Francisco Bay Area, the San Jose CHP area office has been a dynamic contributor to the success of our Northern CA fundraising events. Over the past 28 years, many have been on our event planning committees and supplied volunteers for our two largest annual events – the CHP'pino Feed in March and Golf Classic in October. Without the commitment and volunteerism of our friends at San Jose CHP, Explorer Post 340, and Senior Volunteers, we wouldn't have the ability to produce these events with our very minimal staff.

We extend our sincere thanks to all the San Jose CHP employees and retirees who have collectively volunteered hundreds of hours over the years to support our mission.

We'd like to spotlight some of these volunteers who shine especially brightly. A heartfelt thanks to Captain Ceto Ortiz, for his leadership and ongoing support for many years, Lt. George Gori, for his dedication to and passion for the Foundation, Lt. Moe Edwards, for his enthusiastic participation, Office Supervisor Tina Medeiros and Public Information Officer Ross Lee, who organize event volunteers every year and constantly go above and beyond, assisting 11-99 staff with anything and everything all year, Office Assistant Shirley Kwan, for her endless energy and incredible work ethic, Officer Pat Rollins, who steps in as our auctioneer when needed, Raychelle Lynch, Sgt. Tom Byington, Officer Tom Bowen, and Officer Ramsin Daniels for their time and energy, and Senior Volunteer Ron Holt.

We proudly salute the volunteers from the San Jose CHP Office.

REMEMBERING JUDY SHAPIRO

Our longtime friend and silver level 11-99 Foundation member, Judy Shapiro, unfortunately lost her battle with cancer on November 7. Judy's life was full of adventures, interesting people and opportunities. She was never too shy to ask a question, and as a result, generated and was granted many unique experiences to do and see things most people wouldn't get to.

Judy loved the 11-99 Foundation and the men and women of the CHP. She was also our resident jewelry maker, photographer, and all-around helper. She always showed up early for events, willing to lend a hand wherever needed. She understood the extent of work behind planning events and always mailed a handwritten letter to the Foundation office the day after an event, telling the staff what an excellent job they did and thanking us for allowing her to be a part of the 11-99 Foundation.

We will miss Judy's warm and infectious smile that perpetually lit up her face, and will think of her with much fondness and gratitude, especially whenever we wear the 11-99 jewelry she lovingly hand-made and customized for us.

She leaves us with these words:

I hope the stories we have made together make you laugh as you remember me."

ELLYN CLARK

Ellyn Clark has been an integral part of the Bob Weinberg Golf Tournament for over 30 years. In the early years, Ellyn would volunteer in the evenings leading up to the event—everything from stuffing tee prize bags, hand-writing score cards and cart tags and labeling bag tags with golfers' names. On the day of the event, Ellyn was the first person you would see as you drove up to drop off your clubs. She would warmly greet you with her radiant smile, help you unload and tag your clubs and direct you to the registration area. After registration, she would hurry over to one of the par 3 holes and stay there all day, interacting with golfers, offering refreshments, measuring closest to the pin, and making our golfers feel welcomed and appreciated. Ellyn wasn't the type to sit back and relax—she was and always has been someone who jumps in, rolls up her sleeves and gets things done.

The special back story is that Ellyn was married to Frank Clark, one of the founding members of the 11-99 Foundation, for 25 years, until his passing in 2012. It was Frank's idea originally to hold an 11-99 Foundation golf tournament 37 years ago, and their legacy has and will continue to live on.

It is only fitting that our volunteer spotlight for 2018 would be shone upon Ellyn for her many years of assistance at the Bob Weinberg Golf Tournament and friendship with the 11-99 Foundation. Thank you, Ellyn, for your time, generosity, guidance and commitment through the years!

Ellyn with her beloved husband, Frank—one of the founding Board Members of the 11-99 Foundation.

PROFILES OF GENEROSITY

ANNE & STEVE CUNNINGHAM

I have great admiration for the CHP and heard about the 11-99 Foundation several years ago through friends who were involved. We saw 11-99 license plate frames and wanted to know more, so when we found out that the Foundation has a thriving scholarship program, that put us over the top in deciding to get involved. My wife, Anne, and I have been contributing since 2014.

We like the idea of providing scholarships not only to children of officers killed in the line of duty, but to all CHP employees' children. It seems like the right way to run things, and we like contributing financially to operations like that. Sometimes with larger charities, you don't always know clearly where your money goes. The 11-99 Foundation has always made it clear and we are confident and know how our support is being used. It makes us feel that we are very directly supporting CHP kids who want to get an education or learn a career.

Our support is fortified knowing that the Foundation supports those wishing to attend non-traditional trade & vocational schools and programs in addition to colleges and universities. Traditional four-year college isn't necessarily the way everyone should go, and it's great that their choices are not limited to a single type of institution or program. For that and the growth and expansion of the 11-99 scholarship program, we applaud and give a loud cheer!

Anne and I were very touched to receive notes from numerous scholarship recipients last December, thanking us for our donations to help them go to school. We believe that in thanking us, it caused a realization for them that money does not grow on trees, and that behind the funds, there are deeply caring individuals who are rooting for them.

We are very excited to see further expansion in the scholarship program, and

the 11-99 Foundation has our whole-hearted support. Keep up the great work!"

PATRICIA & PETER MASCHI

After a neighbor told us about the 11-99 Foundation, we really fell in love with its mission. I (Peter) have always loved law enforcement, and several of my high school friends became police officers, including my best friend, who was in the San Francisco PD. After serving in the U.S. Marine Corps at age 18, I wanted to pursue my childhood dream of becoming a Highway Patrol officer. My career and life didn't quite turn out that way, but no matter what, we've always supported those who are out there, often making sacrifices and risking their lives to protect others. My wife of 56 years, Patricia, was rather relieved that I did not join the CHP, as she probably would have constantly worried about my safety. So, the next best thing we could think of doing to show our support is standing beside those who do face real danger on a

daily basis, and the 11-99 Foundation provided us with the perfect opportunity to do something we fully and deeply believed in. We joined the Foundation in 2008, and have continued to donate, playing a small part in helping and supporting CHP families. When tragedies occur, we are so glad there is an organization that financially takes care of grieving families who will never again get to welcome their loved ones home. I think it has become more dangerous than ever before for law enforcement, and our hearts go out to these devoted men and women who serve and lay down their lives, despite negativity towards them at times. We are forever grateful for their selfless service and will contribute to this worthy cause the rest of our lives."

PROFILES OF GENEROSITY

PAT & RICK MCAULEY

For Pat and me, the 11-99 Foundation is a family matter. Here, the history runs deep, going back to the earliest days of the Foundation, circa 1983. My father, Chuck McAuley, was neighbors with 11-99 Founder Bob Weinberg, and they developed a friendship. They would often golf together at Los Coyotes Country Club, along with Frank Clark, another Founding Member of the Foundation. Through that connection, an annual tradition was born—the first Bob Weinberg CHP 11-99 Foundation Golf Tournament that brought it all together. With Bob's vision, generous spirit and like-minded friends surrounding him, the CHP 11-99 Foundation really took off and began to thrive. After Bob's passing, the Board worked hard to keep his legacy going. Frank Clark later invited me to join the Board of Directors, becoming a second-generation member, and I soon began to realize how apparent it was that we all belonged to this larger family—the CHP family, as their supporters and advocates.

Over the years, Pat and I have been involved with several non-profit organizations, and we have sat on many of their boards. The CHP 11-99 Foundation remains one of our favorites. We truly feel it is one of the most impactful organizations to its beneficiaries, the CHP officers and employees. The efficiency of dollars raised and how those funds are used ought to be commended and celebrated by every Member. We both decided long ago to be more intentional with our giving and pick organizations which met our high standards, and the CHP 11-99 Foundation met all those

standards. Our support to these CHP first responders is incredibly valuable and a cause we firmly believe in. The CHP are always there, rain or shine, serving the entire State. Let us never forget that. They are just like family, and we are here to support them."

ROBERTA & MIKE MASTERSON

We are living in very contentious times regarding law enforcement and how the public sees officers. Roberta and I believe very strongly in the 11-99 Foundation's mission, and in addition to verbally and mentally supporting the men and women on the force, we dig deeper to also financially support them and their families.

The 11-99 scholarship program is simply amazing. The first time we received a handwritten letter from a scholarship recipient thanking us for our donation was the day we decided we needed to do more. So we designated a portion of our Trust so that even after we are gone, the spirit of our giving will live on, and CHP families will continue to benefit from our support.

The 11-99 Foundation is an organization that lets CHP families know they're not alone. Not only do they have their fellow officers to lean on; they also have many citizens like us that care deeply for them all. We may not wear a badge on our chest, but our heart yearns for their safety each and every day.

Every time we see an officer on the road, we say a short prayer. We pray that they will safely complete their shift and return home to their loved ones. After all, we are all part of the CHP 11-99 Foundation family."

Every time we see an officer on the road, we say a short prayer. We pray that they will safely complete their shift and return home to their loved ones. After all, we are all part of the CHP 11-99 Foundation family."

CREATIVE WAYS TO GIVE

TALYN McCASLIN...NEVER TOO YOUNG TO GIVE!

We would like to introduce you to an incredible girl with a huge heart—Talyn McCaslin, age 12. Talyn's dad is a CHP officer in the Fresno area office. Talyn decided a while back to use her earnings from former 4-H projects to purchase a hog for the Madera Fair

last summer. Braving one of the hottest summers on record, Talyn spent her summer break caring for the hog, waking up at 6:30 am every morning and often working into the night. Her goal was to sell her hog and donate 100% of the proceeds to the 11-99 Foundation.

Talyn achieved her goal and she and her mom, Adrienne drove from Fresno to Fullerton to present us with a \$1,500 donation—a check for \$1,204.50 and the rest in cash pulled from Talyn's savings! Talyn, you are one determined, hard-working and compassionate 12-year-old from whom we could all learn something! By making this donation, you are helping CHP families just like yours, and we look forward to returning the favor by assisting you and your brother with scholarship funds when you're older. Thank you Talyn, the McCaslin family, and all those who donated to Talyn's fundraising!

Talyn at the 11-99 Fullerton office with check and cash in hand, earned from the sale of her hog at the Madera Fair.

NORTHERN CA SATELLITE OFFICE OPENS!

Over the past few years, we have worked hard to expand our events, programming, and outreach to CHP communities and members across the state. Part of this expansion was hiring more staff and opening our first-ever Northern California satellite office in San Jose. Northern CA Director of Development, Laura Reed, who has been with the Foundation since 2015 and Northern CA Events Manager, Stefany Wilson, who was hired in 2017, moved into their 1,300 square-foot office suite in March 2018, just minutes from downtown San Jose and located on the historic Alameda. A special thanks to 11-99 lifetime member, Ken Whelan, who made this opportunity possible, as he was downsizing his business which enabled us to lease the available space.

Considering that Laura and Stefany manage and produce several fundraising, stewardship, cultivation, and scholarship events each year they couldn't be happier to now have an official conference room, a casual and cozy meeting area, a small kitchenette, storage closets, and two spacious offices with room for a third intern or employee down the road.

Taking advantage of their new space, Laura and Stefany launched quarterly open house events last year at the office where new members, event sponsors, committee members, volunteers, local Board members, and CHP were invited to attend and network in a casual setting. These open houses have been wildly popular, giving members a chance to get to know CHP on a more personal level, allowing members to network with each other in a more intimate environment, and giving our staff an opportunity to show their appreciation. The holiday open house in December maxed out our capacity with over 40 guests in attendance!

We invite you to join us at our next open house in May 2019! For more information on our open houses, or to reach our Northern California 11-99 Staff, please contact:
