FRESH FISH FOR THE NEW GENERATION

Bosaso, Puntland in December 2020

FairFishing received a generous donation of 5.000USD through Global Giving in December 2020. The donation was used for FFNG, enhancing food security, climate action, economic growth & physical health in HoA

Action

3 days learning-event **"Fresh Fish for the New Generation" in Bosaso, Puntland**

Aim of event is to teach the new generation of the nutritional value of fish, how to prepare tasty fresh fish, and familiarize them with fish handling: cutting, gutting, icing process and filleting to minimize food waste.

Participants

- 28 students (grade 8) from **Hajji Mireh Primary School** in Bosaso
- 16 girls and 12 boys accompanied by their school principal

Executing team

Puntland FairFishing team

- Mohamed Ali: Coordination, theory training and report
- Nadifo Said: Chef, practical teacher

Day 1

Theoretical learning

- How to keep fish Cool & Tasty: inspiration from global markets with ice, storage and fresh fish sale.
- Importance of keeping fish handling and markets clean
- How to identify the freshness of the fish when purchasing fresh fish

Tasting tasty fish

- With assistance from students, FairFishing team prepared tasty fish dishes.
- Tasting the delicious and nutritious fish prepared easily by themselves

Day 2

Fish market visit

- Observe activities in fish market like cleaning, cutting, gutting and trading fish
- Identifying different key species of fish
- Talking to customers about fish preferences

Day 3

Cultural communication day

- FairFishing team visited Hajji Mireh Primary School
- Students writing poems about fish
- Drama performed by students sharing their learnings on video

Communication
Highlights from the 3 days and the poem & drama by students was shared on local media (5 stations) and spread on social media by FairFishing, the media stations and the Primary school

Impact & response
- Students very positive and eager to learn
- Enjoying the tasty fish – intending to share process & receipt with family and friends

Remark by FairFishing employee Yusuf Abdulahi Gulleid

"Back in time and my childhood classroom, we didn't get the gold opportunity to see, feel, smell and taste Cool, Clean & Tasty Fresh Fish. These kids are luckier than most of us"
