Fasa Old Age Foundation is to provide care and companionship to those elderly people who are isolated and lonely or those who need assistance and supervision during the day.

Vision:

Vision statement: Our vision is creating a very reputable elderly day care center here in Lagos Nigeria and to focus more on providing socialization, Community outings for the elderly.

Mission Statement:

Mission: Our mission is to improve the health care and care giving experience of the elderly. We seek to offer continuity of care in the Day Center and a sense of belonging to make our elderly feel valued and contented.

Financial Plan:

We will require \$100,000 to pay the rent for the day Centre and the equipment needed to run the Day Center.

The Day Center will be design for the elderly people as a home away from home.

They will have their meals in the Day Center and available rooms for them to take a nap.

We will employ qualified staff with experience to work in the Day Centre, the staff will monitor medication, serve hot meals and snacks, perform physical or occupation therapy and arrange social activities.
