#### OUR MISSION

-Is to promote community empowerment, quality education, zero poverty and healthier lives .

**\*We are people from all different walks of life, working together to make a difference.  
Think globally, act locally!**

**Action Hope Uganda** is a Christian/faith based **non-profit organization** that brings life changing care to **Orphans**, vulnerable **children** and Orphans in Ugandan communities, Through supporting the Orphans and Abandoned children with basic essential needs at our child care centre we provide sponsorship of tuition, we provide scholastic materials (books, pens, pencils and mathematical sets), Ugandan communities we provide nurturance to these children hence helping them build their childhood and learn how to associate with different people and clothing (uniform) and helping them acquire Quality Education .
