Dr. APJ

Abdul Kalam

Avul Pakir Jainulabdeen Abdul Kalam

15 October 1931/27 July 2015 was an Indian aerospace scientist and politician who served as the 11th president of India from 2002 to 2007. He was born and raised in Rameswaram,

Tamil Nadu and studied physics and aerospace engineering.

He spent the next four decades as a scientist and science administrator, mainly at the Defence Research and Development Organisation (DRDO) and Indian Space Research

Organisation (ISRO) and was intimately involved in India's civilian space programme and military missile development efforts. He thus came to be known as the missile man of

India for his work on the development of ballistic missile and launch vehicle technology. He also played a pivotal organisational, technical, and political role in

India's Pokhran-11 nuclear tests in 1998, the first since the original nuclear test by India in 1974.

J. Sriwaguel

Mahatma Gandhi

Mohandas Karamchand Gandhi

Mahatma Gandhi (2 October 1869 – 30 January 1948), also known as Mahatma Gandhi was an Indian lawyer, anti-colonial nationalist, and political ethicist who employed nonviolent resistance to lead the successful campaign for India's independence from British rule and in turn inspired movements for civil rights and freedom across the world. The honorific Mahatma (Sanskrit: "great-souled, venerable") first applied to him in 1914 in South Africa, is now used throughout the world.

Birth

Mohandas Karamchand Gandhi
2 October 1869
Porbandar, Kathiawar Agency, Bombay Presidency, British India

Died

30 January 1948
(aged 78)
New Delhi, Dominion of India

07 July 1980
He was born in ~~Bihar~~ Bihar, Ranchi, he was like football he don't like cricket one day he was playing football in school he was playing football very well one day his ~~peety~~ teacher see the M.S Dhoni he was well ~~he~~ caught the ball the P.T teacher is calling dhoni the P.T teacher told you was catch the ball very well you was come to the cricket tell P.T Teacher the ~~see~~ saw to in a small ball the P.T Teacher told come to the training 10.00 clock the dhoni was come to ground the P.T was give the gloves he was wear the gloves and the P.T teacher was throw the ball the dhoni was not caught the ball and the last time

HOW TO BUILT A FRAME

WALL FRAME

Steps for Making

Step 1: Take a newspaper and rolled by using the stick and stick it make another 12 newspaper same and orange like newspaper rolls into square and apply glue on it for 15 mins to stick.

Step 2: Take a square of colour paper and fold into triangle, left side corner fold upward and right corner fold into upward and cut like a flower and open the colour paper you will get a beautiful flower.

Step 3: Take a newspaper iframe and decorate by the colour flower and you and decorate the iframe.

Step 4: Hang it the iframe in your wall and you will see Beautiful wall.

WHAT WE LIKE

I Like to Play and I Playing
in ground after my mind relax

I Like to Swing

I Like to School going

I interest The game cricket

I Like its draw

I Like also running race

I like to eat chicken

The cricket player MS Dhoni

and I like to see nature

I like to read English and play

Lehns

S. Senthambharan

My name is Abinash, I stand for love. I am from India. I like to draw, But I know Imagination and Visual drawing. I interested ~~very~~ much in drawing. Most of the drawing, which I always like Imagination drawing Eg: Small island and trees, birds etc. There are two types of drawing.

* Imagination

Imagination drawing is easy to learn and draw.

* Visual

Visual drawing is difficult to learn and draw, also for that we want to use our brain like a Printer. So so, I like imagination drawing with shape.

Little boy

By
J. Sanjay
VI

Little boy writing and playing. This is my friend Little boy He loves to sleep and play all day He likes watch ninja story on television and likes to play with little animals.

My name is Abinash. I like to Play cricket, kabaddi. I like biryani. Biryani (A rice with vegetable) For me current year very, very, bore. I stop the school. I stop the study. Because of the covid-19. I like IPL cricket in India.

❖ **SAVE WATER.
SAVE LIFE.**

Water is necessary for life. Water is needed for our agriculture. people don't have enough water to fulfil their basic needs. India is one of the countries that are facing water scarcity today. Women has to walk long distance to collect water. Water is basic need to everyone. rain water harvesting is the best and suitable method to save our world. Don't let your water consumption out of control.

SPECIAL THAMARAI

**MY EXPERIENCE
IN THIS SPACE**

I love my thamarai. My thamarai is very beautiful place. There are hundred from age 6 to 14 are studying here. When I am here I feel very peaceful. We all play together I sense unity. When I am here I learn to play lot sports and games any more etc.,

Thamarai

Thamarai is a wonderful after school. We all use play lot of games and team work. In thamarai all are equal. thamarai gives more class and games etc. example: computer class, yoga class, maths cube class, dance class, taekwondo class. They or teach in thamarai.

I Love Thamarai

On Thamarai

Thamarai is a after school which is located in Anna Nagar. I am a student of Thamarai being past 3 years. I love my facilitators and my friends. Before the COVID-19 we all are full enjoyed and always happy. But, after the COVID-19 we have lots of protocols are following in our Thamarai like social distance, using sanitiser etc. So we missing lots of enjoyments and playing with friends but now we all are gathered with safety protocols so I am very happy to meet all here.

GAMES

What is the Rubik's Cube?

Find the 7 differences...

Rubik's cube
Ilakian. C

The rubik's cube is a 3D combination puzzle invented in 1974 by Hungarian sculptor and professor architecture Ernő Rubik. originally called the magic cube, the puzzle was licensed by Rubik to be sold by Ideal Toy Corp in 1980 via businessman Tibor Laczi and Seven Towns founder Tom Kremer. The first world record was Melbourne summer open 2010 on 30 January 2010, Zemegs set his first world records for 3x3x3 average and 4x4x4 average with times of 9.21 seconds and 42.01 seconds respectively. The current record was done by Yusheng Du for 3.47 seconds
